More color means more business

At up to 32 pages-per-minute (ppm), this sophisticated printer is ideally suited for work teams that need high-impact color business documents in a flash.
- Show off your business. You demand color documents that are as dynamic as your business. New HP ColorSphere toner achieves high gloss results and works in concert with enhanced HP ImageREt 3600. For optimal results, use HP paper with HP's five-layer coating technology.
- Make it easy on yourself. HP's world-class engineers have optimized this printer's performance with new HP ColorSphere toner and its precise mix of patented additives to deliver consistent, reliable color print quality without even sacrificing speed. Just click Print, and rest assured, you'll see results that are delivered fast and hassle free.

Effortless color

- Depend on simple interactions. Print cartridges are preinstalled in new printers, and one convenient access point in the printer makes cartridge replacement effortless. There are only four print cartridges to manage. The cartridge, HP ColorSphere toner, and imaging drum are integrated into one supply, so you refresh the imaging system and ensure consistent print quality when you replace a cartridge.
- Do more in less time. HP's simple, flexible printer management tools offer industry-leading capabilities, such as consolidated supplies reordering via HP SureSupply, color and device usage reporting, helpful alerts, and easy 1-click access to HP Instant Support.¹ HP Web JetAdmin helps IT professionals manage fleets of peripherals, while HP Easy Printer Care Software provides a simple client software tool for anyone to manage up to 15 HP printers.

Accelerate business performance

- Need color but can't afford to wait for it? HP understands. The HP Color LaserJet 3800 series printer delivers fast color and black-and-white pages—at speeds up to 32 ppm. In addition, InstantOn Technology reduces warm-up time, allowing the printer to consume less energy and realize less wear on the engine. The printer calibrates intelligently to balance performance and obtain the best print quality.
- Always get optimal results. The sophisticated engine includes intelligent color calibration that works in concert with HP Smart printing technology in HP cartridges to make automatic adjustments that enhance print quality and consistency.²
- Share with multiple users and increase efficiency. Raise work team and IT productivity: the HP Jetdirect Fast Ethernet-embedded print server delivers high-performance, broad compatibility, proven reliability, and ease of use with advanced security features, exceptional device management tools, and award-winning service.³
- Manage color usage. Color can make your business more professional, effective, and profitable, but it's important to keep printing costs in check. With Color Access Controls, you can monitor color usage, assign color access by user or application.

HP printing and imaging systems help you create powerful, professional communications easily. Printers, supplies, accessories, and services are designed together to work together and are invented to meet or exceed your demanding business needs.
