Hunter S Moon Fisherman S Sun:

Hunter's Moon, Fisherman's Sun Mike Yurk, 2014-11-17 Go hunting and fishing with Mike Yurk in Hunters Moon Fishermans Sun It is a collection of twenty two stories that will take you from Alaska to Key West with a lot of time in the upper Mid West where Mike grew up and still lives It begins with memories of opening day of the fishing season and ends with a long winter followed by two more opening days In between we fish for halibut in Alaska hunt pheasants in South Dakota and get a fish fry in Key West We go back with Mike to when he was a boy and young man learning to hunt He takes us with him hunting for big ducks on a big lake a pond where he hunted for geese the joys of hunting on Saturdays and shooting rabbits in the snow We go ice fishing when the walleyes went nuts on his favorite home lake and again on a northern Minnesota lake where friends gather in the winter for a special ice fishing event The stories move from the past to the present There are memories of Lake Michigan as a boy to many years later catching salmon there There are recollections of fishing with his grandfather and father on a beloved river to now teaching his grandson to fish for bass There are the days of unlimited joy of summer vacation as a boy to a perfect summer day catching smallmouth bass as a much older fisherman The stories are more than just catching fish or shooting game They are about people both in the past and present and the impact they have on the days of a hunters moon or a fishermans sun **Moon California Road Trip** Stuart
