**Tonight, I locked his cage for the last time.  
I told him that I would allow him one last orgasm...  
but I never allowed him inside me, and I ruined it  
at the last second so he will always wonder  
how it would have felt.  
I can still hear him sobbing after I sealed the lock.**

**Over the Fireside** Richard King, 2020-07-30 Reproduction of the original *Over the Fireside* by Richard King      **Over the Fireside with Silent Friends** Richard King, 1921 A number of short essays on everyday topics      Master Slave Husband Wife Ilyon Woo, 2024-01-16 Presents the remarkable true story of Ellen and William Craft who escaped slavery through daring determination and disguise with Ellen passing as a wealthy disabled white man and William posing as his slave      *Wholesale Husband* Lilly Gayle, 2011-09-28 She needs his name He needs her money But can a rich New York socialite and a poor Irish immigrant find true love in the gilded age Betrayed by her fianc and heart sick over her father's death Clarissa Burdick is further devastated when she learns she can't inherit her father's company the company she loves until she's twenty five or married And Clarissa is neither So she sets out to find a husband strong enough to protect her from her uncle's thugs too uneducated to run the company himself and poor enough to marry a woman in name only But Irish immigrant Devin Flannery is smarter than he seems and more educated than Clarissa expects Her *Wholesale Husband* soon proves a greater risk to her heart than her company      *Over the Fireside with Silent Friends* Richard King (pseud.), 1920

**The Woman at Home**, 1896      **The Corset and Underwear Review**, 1926      **Good Wives** Laurel Thatcher Ulrich, 2010-12-29 This enthralling work of scholarship strips away abstractions to reveal the hidden and not always stoic face of the goodwives of colonial America In these pages we encounter the awesome burdens and the considerable power of a New England housewife's domestic life and witness her occasional forays into the world of men We see her borrowing from her neighbors loving her husband raising and all too often mourning her children and even attaining fame as a heroine of frontier conflicts or notoriety as a murderess Painstakingly researched lively with scandal and homely detail *Good Wives* is history at its best      *Archie and Amelie* Donna M. Lucey, 2007-06-26 Filled with glamour mystery and madness *Archie and Amelie* is the true story chronicling a tumultuous love affair in the Gilded Age John Armstrong Archie Chanler was an heir to the Astor fortune an eccentric dashing and handsome millionaire Amelie Rives Southern belle and the goddaughter of Robert E Lee was a daring author a stunning temptress and a woman ahead of her time Archie and Amelie seemed made for each other both were passionate intense and driven by emotion but the very things that brought them together would soon tear them apart Their marriage began with a secret wedding that found its way onto the front page of the *New York Times* to the dismay of Archie's relatives and Amelie's many gentleman friends To the world the couple appeared charmed rich and famous they moved in social circles that included Oscar Wilde Teddy Roosevelt and Stanford White But although their love was undeniable they tormented each other and their private life was troubled from the start They were the F Scott and Zelda Fitzgerald of their day a celebrated couple too dramatic and unconventional to last but their tumultuous story has largely been forgotten Now Donna M Lucey vividly brings to life these extraordinary lovers and their sweeping tragic romance In the Virginia hunt country just outside of Charlottesville where I live the older people still tell stories of a strange couple who died

some two generations ago The stories involve ghosts the mysterious burning of a church a murder at a millionaire s house a sensational lunacy trial and a beautiful scantily clad young woman prowling her gardens at night as if she were searching for something or someone or trying to walk off the effects of the morphine that was deranging her I was inclined to dismiss all of this as tall tales Virginians love to spin out but when I looked into these yarns I found proof that they were true Donna M Lucey on Archie and Am lie      Tudor Costume and Fashion Herbert Norris,2013-09-26 Monumental study of English fashions from 1485 through 1603 surveys clothing worn by all classes and includes headgear hairstyles jewelry collars footwear and other accessories 1 000 black and white figures 24 halftones 22 color plates
