Dair R.K. Lilley, 2014-07-24 DAIR THE WILD SIDE 3 ARE YOU READY FOR THE TRUTH I d started writing everything about her down I didn t want to forget The color of her hair The depth of her eyes The stubborn shape of her jaw The way her lips shaped words with such expression The way her voice made my chest ache The way she gave advice beyond her years The way she listened like she cared about every word The way she made me feel Alive Every curve and hollow of her body was recorded in my mind and now my hard drive There was a bit of truth in every lie and even if it had only been fed to me in the smallest increments I wanted needed to remember the real Iris Because in the end there was one irrefutable thing that I couldn t deny Hostage or hustler sinner or saint whatever she was or wasn t whether she lied to my face or taunted me with hints of the truth all of this seemed always to defer to the more pertinent fact at hand She was mine Inconceivably Undeniably Mine After yet another shocking discovery followed by a disturbing letter Dair is almost certain Iris has left his life for good He tries his best to move on Easier said than done and when an unexpected and dangerous opportunity arises for him to find out what happened to her he doesn t hesitate to take it As usual with Iris the answer leaves him more lost than the question Every revelation is shrouded in mystery and every disclosure leaves Dair more in the dark than ever And when finally the messy truth is revealed in its entirety will he be ready for it This is the final installment in Iris and Dair s story This book is intended for readers 18 and up

Grullock R. L. Pawlowski, 2015-08-19 For hundreds of years the Blue Ridge Forest remained silent until just recently It started with something only the insects underground could feel As it grew stronger the birds became aware as they perched in the trees for the night One day someone noticed smoke rising from the old ancient granite peak of the Blue Ridge Mountain Then one early morning hour something was felt but it happened quick with one deep ear splitting sound The sound was deafening Loud enough to be heard all the way to the castle which was three miles away The entity looked at the crack that appeared in front of it For the first time in hundreds of years it has seen light Barely stronger than the light breeze that pushed its way inside the damp cave through the hairline crack The entity slowly made its way out Slithering its way through the eight foot thick crack it stood outside the mountain The entity didn t waste time making its way down the mountain Weakened by being trapped for so many years it needed a host to live in to make it stronger Making its way to the base of the mountain it started seeing animal tracks stopping for a minute to take in all of the scents It knew there were humans close by but it was too weak to take on a human host Finally after a few moments it slithered over a log to track the preferred animal scent Three miles further it came upon its host No more than twenty feet away stood the big deer eating the leaves off the plants that sprouted off the forest floor Even though

the deer didnt see hear or smell anything the big buck knew from living its existence in the forest and relying on its senses that some kind of danger lurked nearby The big buck quickly put its head up Standing as still as a statue the buck only moved its eyes to scan the surrounding forest As the moments went by the panic in the deer grew stronger Adrenaline surged through the deers veins The deer knew it had to run as fast as it could into the safety of the forest But it was too late **The**
