Wyant, 2019-11-08 Explore a tale of two sisters Beyond Mary or Martha Reclaiming Ancient Models of Discipleship dives into the complicated reception history of Mary and Martha of Bethany who have been at the center of many debates for almost two thousand years

Jennifer S Wyant begins her study with a close reading of the sisters first encounter with Jesus in Luke 10 38 42 then moves on to patristic medieval and modern interpretations of that narrative Wyant tracks how Mary and Martha both became paradigms of discipleship revealing the inherent tension within Christianity between contemplative practices and acts of service By placing ancient debates alongside more modern ones she argues that contrary to discussions today within academic and religious circles gender is not the most important aspect of their story Features A thorough examination of the textual variants in the passage to show how variants affected interpretation throughout history Interpretations from medieval women and their contributions to interpretation of Mary and Martha A visual exegesis of the art representing the passage throughout history *Jesus the One and Only* Travis Cottrell,2000-11 **Jesus the One and Only, Babies-Kindergarten Teaching Pack** Beth Moore,2001-10
