Jewish History Jewish Religion:

Jewish History, Jewish Religion Israel Shahak, 1994-04-28 Shahak subjects the whole history of Orthodoxy to a hilarious and scrupulous critique Christopher Hitchens *The Nation* *Jewish History, Jewish Religion, the Weight of 3000 Years* Israel Shahak, 2024-11-19 The first difficulty is that over the last one hundred and fifty years the term Jew has come to be used in two very different ways To understand this let s imagine ourselves back in 1780 At that time the meaning of this term for everyone coincided with what the Jews themselves considered to be the constitutive basis of their own identity This identity was essentially religious moreover the precepts of religion governed down to the smallest daily detail all aspects of the social and private life of Jews amongst themselves and in their relations with non Jews It was unthinkable for a Jew to drink even a glass of water in a non Jew s home This situation was changed by a twofold process which began in Holland and England continued in France during the Revolution and in the countries that followed its example and eventually spread to the modern monarchical states of the nineteenth century in all these countries Jews acquired numerous and important individual rights and in some cases complete legal equality and the judicial power that the Jewish community exercised over its members was abolished It should be noted that these two developments were simultaneous and that the second although little known is even more important than the first **Jewish History, Jewish Religion** Israel Shahak, 1994-04-28 Shahak

subjects the whole history of Orthodoxy to a hilarious and scrupulous critique Christopher Hitchens *The Nation* *The Cambridge Guide to Jewish History, Religion, and Culture* Judith R. Baskin, Kenneth Seeskin, 2010-07-12 This book provides a comprehensive and accessible overview of the Jewish experience from its ancient origins to its impact on contemporary popular culture **Jewish History, Jewish Religion - New Edition** Israel Shahak, 2008-09-20 Israel Shahak was a

remarkable man Born in the Warsaw ghetto and a survivor of Belsen Shahak arrived in Israel in 1945 Brought up under Jewish Orthodoxy and Hebrew culture he consistently opposed the expansion of the borders of Israel from 1967 In this extraordinary and highly acclaimed book Shahak embarks on a provocative study of the extent to which the secular state of Israel has been shaped by religious orthodoxies of an invidious and potentially lethal nature Drawing on the Talmud and rabbinical laws Shahak argues that the roots of Jewish chauvinism and religious fanaticism must be understood before it is too late Written from a humanitarian viewpoint by a Jewish scholar this is a rare and highly controversial criticism of Israel that will both excite and disturb readers worldwide *Jewish History* Simon Markovich Dubnow, 2017-06-24
