Living Expectantly: Extraordinary Living in an Ordinary World. Elaine Keith, 2014-12-01 If this tree could talk it would have many interesting stories to share What you might not have noticed the tree is damaged You see it was struck by lightning and not only that but it had weathered many storms This tree is symbolic of what our life was at one time Every counselor that we sought seemed to think that our marriage was diseased and there was no hope Our children were definitely being negatively affected We were so damaged Our scars were ugly Was there any hope for our family Should we be taken down We loved that ole oak so we decided to take a chance on that tree With care and tenderness the tree began to heal and though it has remained scarred it provides the most wonderful shade on a hot summer day Jesus took a chance on us and with His healing balm we too have survived We have faced many storms some more severe than others and though you might still see some scars in spite of all this He has used us to provide shade for others This is our story and our journey proving the faithfulness of God

Envision with God

Francis S. Oda, 2022-07-06 As a pastor and leader I have seen that most people are walking backwards into their futures All their reference points about the future are usually drawn from the past Envision with God turns you around to face what is ahead with God's guidance After all aren't all God's promises in the future The practice of envisioning with God will not only turn you to your future in God but give you something many Christians lack an absolute certainty in recognizing the voice of God A common practice even among mature Christians is seeking confirmation for something their Father God has told them It is strange to say the least that a child would not recognize his or her father's voice This will no longer be a problem as one

faithfully envisions with Father God Envisioning with God erases the division between the marketplace and pulpit You will discover that God doesn't recognize this division His desire is for unity Too many Christians are schizophrenic in terms of their spiritual identities This has weakened families churches businesses communities and nations No such division should exist as the many of the powerful examples in the books testify Envisioning with God in a simple and systematic way will change your life causing you to face your future and recognize the voice of God Envisioning will engage you in a day to day dialog with your Father and unify the roles of your spiritual identity propelling you to your destiny facing forward into God's promises
