The Alpha's Curvy Match 2 A. A. Wolff, Alex Anders, 2016-04-28 He was a powerful wolf shifter Sheikh She was a sassy BBW human struggling to work her way through college He wasn't supposed to feel anything for someone like her And she certainly wasn't supposed to fall for an asshole like him But when he

was forced to hire her as his social secretary and they stopped sparring long enough to see how perfect they were for each other it didn't take long for their passions to take hold But what happens when a Sheikh with an insatiable sexual appetite gives up all of his bad ways to be with a girl like Jenny and then SHE leaves HIM I'll give you a hint Powerful men aren't known for letting things go Things are a little different when you break a wolf shifting Sheikh's heart Because the asshole human in him can deny his feelings all he wants but his wolf knows the truth And with his wolf consumed with returning to its mate there will be nothing anyone can do to keep them apart But doesn't the young newly turned Jenny have anything to say about who she takes as a mate If you think she doesn't then I'm afraid that you don't know Jenny The real question you should be asking is why she left the Sheikh in the first place And asking yourself that the next thing you should wonder is how much of the world the Sheikh's wolf will tear apart to get her back With the next full moon quickly approaching you will soon find out
