Your performance report appears below. We recommend that you keep this copy for your records. You may also navigate to your Learning History at <http://learning.loma.org> to review your grade and performance report.

This Performance Report shows the chapters from which at least one question was missed and gives the Learning Objective (LO) addressed by the missed question. LOs, listed on the first page of each chapter, help learners place emphasis on the most important objectives from studying the chapter. LOMA recommends that a learner preparing to take this course's exam again study all assigned material but emphasize the material covering the LOs listed below. (Not all LOMA courses currently use a capital letter to identify the LO; LO-4C, for example, is the third LO from chapter 4.)
