pursuing her earlier that afternoon He and the woman escape only to be pursued along the highways through the desert of Arizona and into the mountains of Colorado by lawless members of a motorcycle club Long since retired he is not prepared physically or mentally to deal with pursuers who are younger stronger and arrogantly intent on taking the woman by force It becomes clear that he can only survive by using skills and experience from his past that he has only recently begun to come to terms with Will a confrontation with these lawless men lead to his undoing *Official Gazette of the United States Patent and Trademark Office* ,2004 American Motorcyclist ,1987-03 American Motorcyclist magazine the official journal of the American Motorcyclist Associaton tells the stories of the people who make motorcycling the sport that it is It s available monthly to AMA members Become a part of the largest most diverse and most enthusiastic group of riders in the country by visiting our website or calling 800 AMA JOIN Safetyline ,1993 **American Motorcyclist** ,1983-10 American Motorcyclist magazine the official journal of the American Motorcyclist Associaton tells the stories of the people who make motorcycling the sport that it is It s available monthly to AMA members Become a part of the largest most diverse and most enthusiastic group of riders in the country by visiting our website or calling 800 AMA JOIN *Rider's Complete Guide to Motorcycle Touring* Dick Blom,1981
