**Translation of the Septuagint** Albert Pietersma,Benjamin G. Wright,2007-11-02 The Septuagint the ancient Greek translation of Jewish sacred writings is of great importance in the history of both Judaism and Christianity The first translation of the books of the Hebrew Bible plus additions into the common language of the ancient Mediterranean world made the Jewish scriptures accessible to many outside Judaism Not only did the Septuagint become Holy Writ to Greek speaking Jews but it was also the Bible of the early Christian communities the scripture they cited and the textual foundation of the early Christian movement Translated from Hebrew and Aramaic originals in the two centuries before Jesus the Septuagint provides important information about the history of the text of the Bible For centuries scholars have looked to the Septuagint for information about the nature of the text and of how passages and specific words were understood For students of the Bible the New Testament in particular the study of the Septuagint s influence is a vital part of the history of interpretation But until now the Septuagint has not been available to English readers in a modern and accurate translation The New English Translation of the Septuagint fills this gap     *The English Version of the Polyglot Bible Containing the Old*

Hines, 2023-06-16 This book is the first English translation of Cāndāyan the pioneer work in a long tradition of Indian Sufi love narratives The story was adapted from an oral epic Chanaini popular in the Awadhi speaking region of north India in the fourteenth century The early manuscripts of Cāndāyan though composed in the Awadhi dialect were recorded in the Persian script Each stanza like unit is introduced by a phrase or sentences in the Persian language style making it necessary for a reader to know the Persian script and language as well as the Awadhi dialect This somewhat limits the access to fully explore Cāndāyan In addition to this the esoteric interpretation which is the distinguishing feature that gives the Indian Sufi masnav literature its unique identity was also not yet realized Cāndāyan deserves to be celebrated and recognized because it marks the beginning of the indigenizing process of the masnav in India and served as a model for this literary genre for the next 540 years A serious study of Maulana Daud's Cāndāyan composed in 1379 in the reign of Firoz Shah Tughlaq did not begin until well into the twentieth century because only a few pages of its manuscript folios were discovered at a time in various academic institutions and museums around the world Cāndāyan is a fascinating study of the blending of the features of the Persian masnav with the features of the Hindi prem khyān narratives and the features of the medieval Jain literature Even today annually in the Mahakoshala region Cāndāyan is presented in the form of drama and in the folk song and play forms Print edition not for sale in South Asia India Sri Lanka Nepal Bangladesh Pakistan and Bhutan *Vengeance (English*
