Contractors' State License Board, 1948 The Sociolinguistics of Voice in Globalising China Jie Dong, 2016-07-01 This book deploys and develops the notion of voice in an investigation of China s rapidly reshuffling society The book is structured around two aspects of the voicing process in contemporary China 1 stratification of voice

which addresses the stabilizing condition of voice and 2 re-stratification of voice that draws attention to the dynamics of the system of which the order is reshuffling and not yet apparent. This structure allows us to unveil the hidden forces played out in the voice making process and to stratify and re-stratify the process of contemporary Chinese society in which some people are making themselves heard whereas others are losing voice. Despite its importance and usefulness, voice has been under-theorized in recent decades. The ambitions of this book therefore are to invest serious efforts in developing the notion and to position it in the center of the theoretical toolkits available to students and scholars within and outside sociolinguistics.

Lemon-Aid New Cars and Trucks 2013 Phil Edmonston, 2012-12-01. Canada's automotive Dr. Phil says there's never been a better time to buy a new car or truck. For deals on wheels, 2013 will be a perfect storm. There's never been a better time to buy a new car or truck thanks to a stronger Canadian dollar, a worldwide recession driving prices downward, and a more competitive Japanese auto industry that's still reeling from a series of natural disasters. In addition to lower prices and more choices, 2013 car buyers will see more generous cash rebates, low financing rates, bargain leases, and free auto maintenance programs. Buy, sell, or hold. Which cars and trucks are wallet-friendly and can easily last 15 years? Which vehicles offer the most features to best accommodate senior drivers? Do ethanol and hybrid fuel-saving claims have more in common with Harry Potter than the Society of Automotive Engineers? Is GM's 2013 Volt electric car destined to become an electric Edsel? These questions and more are answered in this informative guide.
