has dramatically changed In a post modern culture criminal law serves more and more as a focal point in public morality The
discovery of the victim of crime can be seen as the marking point by which criminal justice got its central position in the
maintenance of social order It is the result of a general victimalization of today s morality This ingenious book according to
Michael Tonry combines insights from criminology sociology and moral philosophy It is especially inspired by the work of
Richard Rorty who stresses the sensibility for suffering as the major source of morality in post modern times It describes the
arousal of attention for victims and the development of crime prevention More specifically it analyzes child sexual abuse and
prostitution This illuminating book will be an eye opener for theorists in criminology and moral philosophy but will also be an
inspiring work for policy makers in the area of criminal justice **Een eigen webwinkel voor Dummies** R. Vlug,2006
