The Routledge Handbook on Global Community Corrections Ioan Durnescu, James M. Byrne, Benjamin J. Mackey, Faye S. Taxman, 2024-06-25 The Routledge Handbook on Global Community Corrections assesses and analyzes the status of community corrections systems around the world highlighting inter regional and intra regional variations in their design implementation and impact on policy and practice Covering both probation and parole this handbook brings together leading international experts to examine the myriad of systems developed under the broad heading of community corrections to manage community corrections populations at the pre adjudication adjudication and post release stages Chapters are designed to consider the following questions How many offenders are placed in community corrections systems around the globe What are the key design features of these community corrections systems What do we know about the effectiveness of community corrections within and across global regions This is an essential reference text for all those engaged with community corrections probation and post release policy in criminal justice Rules governing enforced removals from the UK Great Britain: Parliament: House of Commons: Home Affairs Committee, 2012-01-26 The inquiry launched following the death of Jimmy Mubenga on a deportation flight from the UK found that although there were some positive aspects of the process which is carried out on the UK Border Agency s behalf by a private security contractor initially G4S and since 1 May 2011 Reliance Security the Committee found evidence of inappropriate use of physical restraint and the possible use of unauthorised and potentially dangerous restraint techniques weaknesses in passing on information about detainees medical conditions to all the relevant staff Use of racist language by contractors Use of excessive numbers of contractor staff The Committee recommends that the UK Border Agency should strengthen its procedures so that its own staff feel that they are entitled and expected to challenge any poor conduct on the part of contractors The Committee also rejects the practice of taking detainees to the airport as reserves in case another detainee is taken off a removal flight at the last minute To strengthen safeguards against the ill treatment of prisoners the Committee recommends that members of the Independent Monitoring Boards for immigration removal centres or a similar independent monitoring network be given access to chartered removal flights **Disaster Capitalism** Antony Loewenstein, 2015-09-15 Disaster has become big business Best selling journalist Antony Loewenstein travels across Afghanistan Pakistan Haiti Papua New Guinea the United States Britain Greece and Australia to witness the reality of disaster capitalism He discovers how companies cash in on organized misery in a hidden world of privatized detention centers militarized private security aid profiteering and destructive mining What emerges through Loewenstein s reporting is a dark history of multinational corporations that with the aid of media and political elites have grown more powerful than national governments In the twenty first century the vulnerable have become the world s most valuable commodity **The Palgrave Handbook of Australian and New Zealand Criminology, Crime and Justice** Antje Deckert, Rick Sarre, 2017-11-03 This handbook engages key debates in Australian and New Zealand
