

Movie Discussion Questions: Crash

By: Sabrina Kwist, University of Vermont & Britt Andreatta, University of California

"In L.A., nobody touches you. We're always behind this metal and glass," Graham muses after a car crash. "It's the sense of touch. I think we miss that touch so much that we crash into each other just so we can feel something."

Opening:

1. Show Film
2. Create Ground Rules
3. Depending on group size and general feeling in the room, do a free write and/or share in dyads in order to bring people towards organizing their voice regarding the film.

Processing Questions:

When appropriate, shape questions based on current statements on the table. Discuss "intent vs. impact" and universality of categorizing.

- What's up for you?
- What character(s), event, or theme did you resonate with? Why?
- What situation or scene affected you the most? Why?
- The film shows several intense racial conflicts within a 24 hour period in the city of LA. How might that pace or frequency of negative experiences affect a person's view of the world and others?
 - everything begins to seem racially motivated
 - acts of help or kindness or viewed with distrust
 - feelings of safety around "others"
- Anthony (rap star Chris "Ludacris" Bridges) and Peter (Larenz Tate) have a strong narrative at the opening of the movie. How do you feel about their conversation as they walk the streets of Westwood? What kinds of truths are present in the conversation?
- Some of criticized the film for reinforcing stereotypes instead of eliminating them. What do you think this movie accomplishes?
- What role did anger or hurt play in how the characters treated each other?
- Were the characters' anger or hurt justified? (officer worried about dad's health; father trying to keep daughter safe; businessman trying to protect his store; couple harassed by police; couple carjacked at gunpoint; man trying to help immigrants)
- How did the characters make choices around laying blame for their experiences?
- When people are angry or fearful, do they use a stereotype or racial insult that they wouldn't use when calm or might not even really believe?
- Do you think racism is this overt and obvious or more subtle and covert? Can you give examples?
