populations The Shifting Global World of Youth and Education will be of great interest to academics researchers and postgraduate students in the disciplines of education sociology political sciences and social work The book will also give secondary teachers teaching assistants social workers and youth workers the opportunity to reflect on their role within a national and international context Mastering Primary History Karin Doull,Christopher Russell,Alison Hales,2019-02-21 Mastering Primary History introduces the primary history curriculum and helps trainees and teachers learn how to plan and teach inspiring lessons that make learning history irresistible Topics covered include Current developments in history History as an irresistible activity History as a practical activity Skills to develop in history Promoting curiosity Assessing children in history Practical issues This guide includes examples of children s work case studies readings to reflect upon and reflective questions that all help to show students and teachers what is considered to be best and most innovative practice and how they can use that knowledge in their own teaching to the greatest effect The book draws on the experience of three leading professionals in primary history Karin Doull Christopher Russell and Alison Hales to provide the essential guide to teaching history for all trainee primary teachers Creating Stellar Lessons with Digital Tools Kenneth J. Luterbach,2022-05-12 Creating Stellar Lessons with Digital Tools prepares teachers in training and in service teachers to use technologies for design and development activities with middle and high school students While software open resources handheld devices and other tools hold great potential to enhance learning experiences teachers themselves must model technology use in ways that inspire students to become producers and leaders rather than consumers and followers Featuring concrete applications in social studies English mathematics and science scenarios this book provides pre service and in service teachers with seven paths to creatively integrate and innovate with computational thinking datasets maker spaces visual design media editing and other approaches *Using Literacy Strategies to Enhance Social Studies Education in Elementary Classrooms* Kristy A. Brugar,Kathryn L. Roberts,2025-04-09 Elementary teachers often with their students for most or all of the day have the opportunity to creatively integrate instruction across classes In this text we explore meaningful pedagogical cross over that goes beyond the surface level to build strong foundations and deep connections for teaching and learning in interdisciplinary ways *African Canadian Leadership* Erica S. Lawson,Philip S.S. Howard,2019-08-25 Challenging the myth of African Canadian leadership in crisis this book opens a broad vista of inquiry into the many and dynamic ways leadership practices occur in Black Canadian communities Exploring topics including Black women s contributions to African Canadian communities the Black Lives Matter movement Black LGBTQ HIV AIDS advocacy motherhood and grieving mentoring and anti racism contributors appraise the complex history and contemporary reality of blackness and leadership in Canada With Canada as a complex site of Black diasporas contributors offer an account of multiple forms of leadership and suggest that through surveillance and disruption practices of self determined Black leadership are incompatible with and threatening to White structures of power in Canada As a whole African Canadian Leadership offers perspectives that are complex non

aligned and in critical conversation about class gender sexuality and the politics of African Canadian communities The Rural New-Yorker ,1923 *The Rise and Fall of Civic Education* Michael Learn,2024-09-16 Social studies is a field in crisis The crisis stems from failure to establish the very foundation of social studies purpose in public education civic education Social studies advocates have never put forth a coherent method for teaching civic education because policymakers and the public have been unable to agree upon a general definition of civic education This issue has disrupted the field since the early days As educators sought to include civic education within public schools as a dedicated field social studies evolved into a blending of history social sciences and civic education Social studies evolution never resolved the differences between the three with each discipline striving to control the narrative Instead of creating a unified field the disciplines devalued social studies and thus any discipline associated with it *The Rise and Fall of Civic Education The Battle for Social Studies in a Shifting Historical Landscape* investigates the changing definitions and purposes ascribed to social studies in the United States through time This result is viewed through the rising tensions from culture wars as America s divisive politics fight to control the narrative of the disciplines within social studies Normal Instructor and Teachers World ,1924
