

The Africa Challenge

Great way to
start a topic
about Africa.

- ✓ These activities will help students develop their understanding about Africa as a continent of many countries.
- ✓ The main activity is a challenge, where students use clues to work out where African countries are - not as easy as it seems!
- ✓ There are also several extension questions which require students to use geographical language.
- ✓ Ideal as an individual, paired or group activity.
- ✓ Competitive element.
- ✓ Develops spatial awareness and geographical language skills.

share certain characteristics and constraints imposed by their insularity These present islands everywhere with a range of
common problems A Geography of Islands considers how their small scale isolation peripherality and often a lack of
resources has affected islands in the present day and their past It considers and discusses population issues communications
and services island politics and new ways of making a living especially tourism found within contemporary island geography
A Geography of Islands gives a comprehensive survey of islandness and its defining features Stephen A Royle has visited and
studied 320 islands in 50 countries in all the world s oceans It is full of up to date global case studies from Okinawa to
Inishbofin and Hawaii to Crete In the final chapter all the themes are brought together in a case study of the Atlantic island
of St Helena It is well illustrated with the author s own photographs and maps This book will appeal to those studying islands
as well as those with an interest in the topic particularly those engaged in dealing with small island economies Practical
