Breadfruit Or Chestnut? Bonnie Thomas, 2006-01-01 Breadfruit or Chestnut examines gender construction comparatively across the fiction of contemporary writers of Guadeloupe and Martinique In particular it explores the construction of gender identity by six authors three male and three female who have never been brought together in a study of this issue Rather than following the trend of studying theory and cultural identity in the central male writers and of studying women s writing in the works of the female writers Thomas expertly blurs these traditional boundaries in order to present an unexplored aspect of identity In addition to illuminating women s conception of gender this work examines the male equivalent and how each gender observes and perceives the other Breadfruit or Chestnut not only contextualizes the primary literature but also draws on contemporary theoretical debates surrounding feminism subjectivity and postcolonialism The combination of literary and historical tools of analysis allows for a deeper probing into gender relations in the French Caribbean

A.U.M.L.A., 1973

Autofiction Antonia Wimbush, 2021 This book examines themes of exile mobility and identity in contemporary autofictional narratives written in French by women writers from across the francophone world It reads exile in light of both gender and literary genre arguing that autofiction gives women the space to reconfigure their exile on their own terms

Violence in Caribbean Literature Véronique Maisier, 2014-12-11 Violence in Caribbean Literature Stories of Stones and Blood this book looks at the scene of the throwing of a stone found in five novels and uses it as a starting point to an examination of the turmoil of history in the Caribbean the colonial education imposed on Caribbean populations the gendered relations that exist today in the Caribbean region the political status and aspirations of Caribbean nations and the psychological impact of colonization on Caribbean minds The trope of the stone and the analysis of the violence it delivers provide the thread that conducts the linked readings of these novels written by Dominican Jean Rhys

Trinidadian Merle Hodge Guadeloupean Gis le Pineau Martinican Patrick Chamoiseau and Jamaican American Michelle Cliff The analytical and critical readings of these writers novels complement each other and draw out their commonalities echoes and differences while the juxtaposition of Anglophone and Francophone novels from different Caribbean nations contributes to a polyphonic understanding of the region While the book offers diversity in the range of countries and languages represented and in the interdisciplinarity of the scholarly fields that intersect in its cultural discussions it maintains its coherence by the unifying theme of violence and its representations in Caribbean literature **EMF** David Lee Rubin, Julia V. Douthwaite, 2000-12

Creole Cinema: Memory Traces Louise Hardwick, 2025-02-10 Creole Cinema Memory Traces is the first book written in English on Francophone Caribbean cinema It establishes a postcolonial Caribbean and fundamentally Creole theoretical framework for the interpretation of works which the author defines as Creole cinema through the lens of Patrick Chamoiseau s concept of the Trace m moire In so doing it examines the remarkable multisensory forms of memory expression performed by Creole cinema drawing on work on intercultural cinema and haptic visuality by Laura Marks and on Hamid Naficy s insights into accented cinema Initially undertaking a general survey which provides the most comprehensive account of Francophone Caribbean cinema to date the critical framework is then developed in a series of case studies which analyse Biguine 2004 directed by Guy Deslauriers with a screenplay by Chamoiseau Nord Plage 2004 directed by Jos Hayot again with Chamoiseau as author of the screenplay Rue Cases N gres 1983 Sugar Cane Alley directed by Euzhan Palcy and N g maron 2005 directed by Jean Claude Barny Each case study establishes how the Trace m moire manifests in a complex haptic multisensory set of dynamics which can be discerned both in individual works and across a wider range of films considered in order to access and retrieve here with a particular emphasis on processes of creative intuition subaltern and marginalised memories and histories The study works in a consistently interdisciplinary manner across areas including Francophone Studies Film Studies Postcolonial Studies World Cinema and Black Studies and represents a timely intervention on urgent debates around black representation in cinema **The Negritude Movement** Reiland Rabaka, 2015-05-20 The Negritude Movement provides readers with not only an intellectual history of the Negritude Movement but also its prehistory W E B Du Bois the New Negro Movement and the Harlem Renaissance and its posthistory Frantz Fanon and the evolution of Fanonism By viewing Negritude as an insurgent idea to invoke this book s intentionally incendiary subtitle as opposed to merely a form of poetics and aesthetics The Negritude Movement explores Negritude as a traveling theory la Edward Said s concept that consistently crisscrossed the Atlantic Ocean in the twentieth century from Harlem to Haiti Haiti to Paris Paris to Martinique Martinique to Senegal and on and on ad infinitum The Negritude Movement maps the movements of proto Negritude concepts from Du Bois s discourse in The Souls of Black Folk through to post Negritude concepts in Fanon s Black Skin White Masks and The Wretched of the Earth Utilizing Negritude as a conceptual framework to on the one hand explore the Africana intellectual tradition in the twentieth century and on the other

hand demonstrate discursive continuity between Du Bois and Fanon as well as the Harlem Renaissance and Negritude Movement The Negritude Movement ultimately accents what Negritude contributed to arguably its greatest intellectual heir Frantz Fanon and the development of his distinct critical theory Fanonism Rabaka argues that if Fanon and Fanonism remain relevant in the twenty first century then to a certain extent Negritude remains relevant in the twenty first century
