Cathie had spent years doing whatever it took to give her children the stability or at least the illusion of it that she'd never had. More than that, through sheer will and determination, she had educated them and herself too. With her kids in college, Cathie was at last ready to have some fun. The only problem was that she had no idea how to do it and no friends to do it with. So she put an ad in the paper for a made-up women's group. WOW Women on the Way. Eight women showed up that first night and out of that group a friendship formed, one of those meteoric, passionate, stand-by-you friendships that come around once in a lifetime and change you forever if you're lucky. *Platers' Guide*, 1918 *Real Estate Record and Builders' Guide*, 1894 *Catalog of Copyright Entries. No experience or programming skills required. Who This Book Is For: The Complete Novices Guide To Building A Website From Scratch is aimed and specially written for people who are novices or have little or no experience building websites. Want to set up a website easily and quickly? Are interested in creating a website in order to turn it into a money-making venture? Who have no coding experience? How This Book Will Help You: Most books on the market often claim to be aimed at the complete beginner but they fail to deliver on their promises. The Complete Novices Guide To Building A Website From Scratch is different. It is not only written with the complete beginner in mind but offers straight forward, non-complex information that anyone can understand. The most information is presented to the reader in three easy ways: Written explanatory form throughout the book, first you read about it; Pictorial form via images, then you see the images; Video form via video tutorial that you can access through the book at a dedicated website set up for customers only. Finally, you see it via videos. Additional Bonuses: The Complete Novices Guide To Building A Website From Scratch goes above and beyond just building a simple website. The author walks the beginner through the most important aspects of setting up and running their own website successfully, including keyword optimizing for flooding your website with paying traffic, tips on how to create killer content for your website, how to pick a dynamite domain name, monetization of your website via affiliate marketing, advertising, and more. Avoiding common mistakes and pitfalls early on. How to engage and drive more customers to

your site via back linking How to use high authority sites in order to boost your own rankings in Google Exclusive dedicated video tutorial website for E book purchasers only An optional paid web site ranking service to blast your website to page 1 in Google The Complete Novices Guide To Building A Website From Scratch is the only book a beginner will ever need in order to build their own website and make money from it **The Black Student's Guide to College Success** Clidie B.
