The Layman's Guide to Digital Security and Digital Self-defense Lyndon Marshall, 2023-07-10 This book provides practical advice for everyone on how to effectively secure yourself your devices and your privacy in an era where all of those things seem doomed From acquiring software to the ongoing flaws in email to the risks of file sharing and issues surrounding social media and social reputation Practical Insecurity is the tool you need to maximize your self protection in the digital world Everyone has had a brush with cybersecurity in some way Our computer has gotten a virus somebody you know has lost all their company's data because of ransomware someone has stolen our identity a store we do business with has their computer system compromised including our account so we are offered free identity protection and so on It seems like everyday there is another bit of bad news and it often impacts us But the question largely goes unanswered what can I do as an individual or as the owner of a small business to protect myself against having my security compromised Practical Insecurity provides the answers

The context of REDD+ in Guyana Benn, V., Pham, T.T., Moeliono, M., Maharani, C., Thomas, R., Chesney, P., Dwisatrio, B., Ha, C.N., 2020-05-28 Guyana is a small country with 87 5% of its area covered with

forest GFC 2018b and lies in the center of the Guiana Shield one of the four largest remaining standing tropical rainforests in the world In 2006 Guyana took advantage of the recognition of the value of standing forest to mitigate climate change and became actively engaged in REDD Subsequently in 2009 a Memorandum of Understanding was signed with Norway to support implementation of a Low Carbon Development Strategy LCDS This was a national plan to reorient Guyana's economy and move towards more sustainable extractive industries and forest management The bilateral agreement with Norway established a framework for performance related finance of up to USD 250 million from 2010 to 2015 for implementation of the LCDS Three main pillars of the LCDS linked to its REDD agenda included maintaining historically low deforestation endorsing low carbon development and adapting to climate change Bellfield et al 2015 More recently and building on the LCDS a new Green State Development Strategy Vision 2040 has been developed for Guyana as a twenty year national development policy that reflects the guiding vision and principles of the green agenda The central objective is development that provides a better quality of life for all Guyanese derived from the country's natural wealth its diversity of people and abundant natural resources land water forests mineral and aggregates biodiversity GoG 2019b p 1 Since 2009 CIFOR has conducted the Global Comparative Study GCS in 13 countries with Guyana as the final addition Among the GCS REDD case studies Guyana is one of the most advanced REDD countries alongside Brazil KorhonenKurki et al 2019 and the Norway Guyana bilateral agreement is the world's second largest national level REDD scheme Bade 2013 Yet Guyana's economy still largely depends on extractive resources with mining remaining the main driver of deforestation and forest degradation The potential revenue anticipated from offshore oil extraction might change the country's landscape and outlook putting the permanence of REDD under scrutiny The Guyana case study therefore presents many lessons on how to balance development paths without jeopardizing national forest resources
