Demetrikopoulos, John L. Pecore, 2015-12-17 This book explores education for juvenile offenders in relation to Passages Academy which is both similar to and representative of many school programs in juvenile correctional facilities Examining the mission and population of this school contributes to an understanding of the ways in which the teachers think about and ultimately act with respect to their detained juveniles students and particularly illustrates how the tension between punishment and rehabilitation is played out in school policies and design By calling attention to the decisions that surround juvenile detention education the extant research concentrates on three main areas first the social political and pedagogical forces that determine who enters the juvenile justice systems second how these court involved youths are educated while they are in the system and third the practical problems and the social justice issues youths encountered when transitioning back to their community schools I Hope I Don t See You Tomorrow is both heartwarming and heartbreaking its vast empathy for the students that L A Gabay teaches is edifying while its unsparing examination of the forces that push youth into detention is soul shearing Gabay is at once Tocqueville and Kozol he brilliantly guides us through the educational territory that is foreign to most of us even as he paints a searing portrait of teachers who shape lesson plans for students who must learn under impossible conditions Gabay s haunting and eloquent missive from the front lines of pain and possibility couldn t be more timely as the nation s first black president seeks to lessen the stigma of nonviolent ex offenders in our society Gabay s book confronts the criminal justice system at its institutional roots in the economic misery and racial strife of schooling that compounds the suffering of poor youth as they are contained by a state that often only pays attention to them when they are in trouble Gabay opens eyes and vexes minds with this stirring and sober account of what it means to teach those whom society has deemed utterly expendable Michael Eric Dyson author of The Black Presidency Barack Obama and the Politics of Race in America As a

beneficiary of Lee Gabay and his colleague's patience, discipline and compassionate teaching at the school, this timely book beautifully decrypts the pedagogical framework within the juvenile justice system. As America comes to term with its zeal for incarceration, policymakers, educators, government officials, parents and advocates should take advantage of this carefully written book and use it as reflection and pause as we prepare our young court-involved students towards adulthood. Jim St Germain, Advisory Counsel on President Obama's Taskforce on Police Community Relations and Mayor Bloomberg's Close to Home initiative.

*The Garden in My Mind Activity Guide* Stephanie McCumbee, 2014-03-02 Work smarter, not harder, by combining academic lessons with social skill development. First, read *The Garden in My Mind* picture book with your class, then use this companion activity guide to drive home the message about your expectations for positive classroom behavior. It has easy-to-use lessons revolving around the storybook with step-by-step instructions, lists of materials needed, with ready-to-print forms and handouts included on the CD. Ideal for grades 4-6, the lessons can be adapted for younger or older groups. Activities are organized according to Revised Bloom's Taxonomy and correlate to common core standards, helping teachers make the most of limited instructional time. Social skills and positive behaviors are instilled through writing activities, role plays, discussions and creative arts projects. Students will learn what distracting behaviors look like, how to ignore distractions from others and how to quietly refocus when distracted. A behavior management system using a gardening theme is offered with reward coupons, notes, home tips and reminders for students. *Newsletter*, 1984

**A Guide to Co-Teaching** Richard A. Villa, Jacqueline S. Thousand, Ann I. Nevin, 2013-01-04 Your go-to guide for co-teaching. Differentiated instruction for a diversity of learners is the reality of today's classrooms and a tough task to take on alone. But co-teaching more than just lightens your load. When you and a co-teacher bring together your individual skill sets and strategies, you'll create a more enjoyable, creative and productive teaching experience and deliver more effective outcomes to your students, too. Where do you start? This brand new edition of the go-to guide uses updated research and case studies to provide detailed profiles of four approaches to co-teaching: supportive, parallel, complementary and team teaching. New features include: Brand new chapter on preparing co-teachers in clinical practice with examples. Expanded explanations of the roles of paraprofessionals, administrators and students in co-teaching. Updated discussions of co-teaching in the RTI process. New lesson plans linked to the Common Core State Standards and technology. New forms and tools for establishing trust, improving communication and planning. With quotes and advice from teachers and students, plus practical features like self-assessments and organization tips, this is the ultimate guide to co-teaching. Find out why so many teachers prefer co-teaching to teaching alone and how co-teaching improves the process of learning for all students.
