Akhmatova who were drawn to his good looks His painting thrived on chaos but his bohemian lifestyle combined with a youthful case of tuberculosis eventually took a fatal toll His friends included Picasso Utrillo Soutine and other important artists of his day yet his own work stood apart generating little interest while he lived Today s art world however acknowledges him as a master whose limited oeuvre sculptures portraits and some of the most appealing nudes in the whole of modern art cannot satisfy collectors demand With a lively but judicious hand biographer Jeffrey Meyers sketches Modigliani and the art he produced illuminating not only this little known figure but also the painters writers lovers and others who inhabited early twentieth century Paris with him
