

Know Your Hot Tub

A hot tub is a large investment not only of money, but time. As you prepare to indulge in your oasis, but before you soak yourself into oblivion, it's important to familiarize yourself with your hot tub.

You don't need to be an expert, but you do need basic information in order to prolong the life of your hot tub, keep the water squeaky clean, and know when and how to perform routine maintenance.

What Did You Buy?

Knowing the make and model of your tub is necessary for taking care of it, especially for troubleshooting any problems that may arise. Even more important is knowing how many gallons or litres of water your hot tub holds. That number will tell you the amount of chemicals you'll need to use to keep your water clean, a subject we'll go into in much more detail later in the book.
