How To Become A Youtube Superstar How To S Book 35:

Work and Labor in the Digital Age Steven P. Vallas, Anne Kovalainen, 2019-07-04 This volume presents the most recent studies of work and labor in the digital age as it unfolds in both Europe and the United States The Book of James Valerie Babb, 2023-11-28 The unique social cultural and political life of the incomparable LeBron James LeBron James is the hero in two very American tales one a success story the nation loves the other the latest installment in an ongoing chronicle of American antiblackness He s the poor boy from a broken home who makes good He s also the poor Black boy from a broken home who makes good then at the apex of his career finds n spray painted across the gate to his home James has lived in the public eye ever since high school when his extraordinary athletic skills subjected his every action every statement every fashion choice to intense public scrutiny that tells us less about James himself and more about a nation still wrestling with many social inequities He uses his celebrity not to transcend Blackness but to give it a place of cultural prominence and the backlash he receives exposes the frictions between Blackness and a country not fully comfortable with its presence As a result James s story is a revelatory narrative of how much Blackness is loved hated misunderstood and just plain cool in an America that has changed and yet not changed at all **The ADHD Empowerment Guide** James W. Forgan, Mary Anne Richey, 2021-09-23 Rated one of the Best ADHD Books of All Time by Book Authority The ADHD Empowerment Guide is different from other parenting ADHD books because it helps parents identify and build upon their child s strengths and natural talents in order to develop a specific plan to unlock their child s potential Parents are invited to complete two easy to follow questionnaires to identify their child s natural abilities as well as determine key characteristics in their child that research has shown to help children with ADHD succeed in life These characteristics include emotional control integrity grit resiliency resourcefulness organization motivation school fit support systems and productive use of technology Using the practical strategies presented strength building activities and the information learned from the questionnaires parents can develop a success plan that will unlock their child s potential and build a positive outlook on the journey of raising a child with ADHD The authors two professionals who have been there and done that with their own children with ADHD illustrate their strategies and content by highlighting successful people with ADHD who excelled in various areas and share some of their success secrets to raising a successful child with ADHD **Handbook of Cultural Economics, Third Edition** Ruth Towse, Trilce Navarrete Hernández, 2020-03-28 Cultural economics has become well established as a subject of interest for students and teachers of courses ranging from economics to arts administration as well as for policy makers and practitioners in the creative industries Digitisation has had a tremendous impact on many areas of the creative economy and the third edition of this popular book fully reflects it Cybernetic-Existentialism Steve Dixon, 2019-11-14 Cybernetic Existentialism Freedom Systems and Being for Others in Contemporary Arts and Performance offers a unique discourse and an original aesthetic theory It argues that fusing perspectives from the philosophy of Existentialism with insights from the

universal science of cybernetics provides a new analytical lens and deconstructive methodology to critique art In this study Steve Dixon examines how a range of artists works reveal the ideas of Existentialist philosophers including Kierkegaard Camus de Beauvoir and Sartre on freedom being and nothingness eternal recurrence the absurd and being for others Simultaneously these artworks are shown to engage in complex explorations of concepts proposed by cyberneticians including Wiener Shannon and Bateson on information theory and noise feedback loops circularity adaptive ecosystems autopoiesis and emergence Dixon s groundbreaking book demonstrates how fusing insights and knowledge from these two fields can throw new light on pressing issues within contemporary arts and culture including authenticity angst and alienation homeostasis radical politics and the human as system

Bridge and Tunnel Boys Jim Cullen, 2023-10-13 Born four months apart Bruce Springsteen and Billy Joel both released their debut albums in the early 1970s quickly becoming two of the most successful rock stars of their generation While their critical receptions have been very different surprising parallels emerge when we look at the arcs of their careers and the musical influences that have inspired them Bridge and Tunnel Boys compares the life and work of Long Islander Joel and Asbury Park New Jersey native Springsteen considering how each man forged a distinctive sound that derived from his unique position on the periphery of the Big Apple Locating their music within a longer tradition of the New York metropolitan sound dating back to the early 1900s cultural historian Jim Cullen explores how each man drew from the city s diverse racial and ethnic influences His study explains how despite frequently releasing songs that questioned the American dream Springsteen and Joel were able to appeal to wide audiences during both the national uncertainty of the 1970s and the triumphalism of the Reagan era By placing these two New York area icons in a new context Bridge and Tunnel Boys allows us to hear their most beloved songs with new appreciation

The Actual Jesus Tina Pippin, 2025-07-29 This book moves away from the traditional historical and theological studies of Jesus to incorporate a variety of theoretical and material approaches across centuries and diverse global cultures Through fiction and film the connections are made with contemporary issues such as borders asylum seekers farmworker activism colonialism violence misogyny civil war and nuclear proliferation with a focus on the appearances of the actual Jesus in these worlds The Jesus in this study is explored in particular connections with the stories of baptism wilderness experience ascension and apocalypse What is found is often confusing challenging surprising and disturbing like the Jesus of the gospels
