How To Love A Blue Demon English Edition:

The Mexican Filmography, 1916 through 2001 David E. Wilt, 2024-10-17 Mexican cinema has largely been overlooked by international film scholars because of a lack of English language information and the fact that Spanish language information was difficult to find and often out of date This comprehensive filmography helps fill the need Arranged by year of release and then by title the filmography contains entries that include basic information film and translated title production company genre director cast a plot summary and additional information about the film Inclusion criteria a film must be a Mexican production or co production feature length one hour or more silent films excepted fictional documentaries and compilation films are not included unless the topic relates to Mexican cinema some docudramas and films with recreated or staged scenes are included and theatrically released or intended for theatrical release

Film as World Literature Robin Truth Goodman, 2025-10-16 Redefines the theoretical and thematic contents of world literature by considering it in connection with film What gets lost when we understand film as essentially different from literature What gets lost when we think them essentially the same Does the constructed difference between literature and film also create social and political exclusions exclusions that may exacerbate class struggle or exclusions of certain ways of thinking the future as different Film as World Literature seeks to undo disciplines and disciplinarity the division between film and literature indeed conceals the possibilities of world by bracketing out undisciplined parts Contributors apply ideas of translatability and untranslatability not just as a linguistic exercise of transfers between language groups cultures and national origins but also as an approach to media and transfers between media Is film a visual acknowledgement that literary language is by definition multilingual that is is film a place where political conflicts as Bakhtin observed can be rendered visible Chapters discuss film s relation to world literature not only by considering literary adaptations across nations regions languages ideologies and contexts but also by exploring film s intersections with literary theory narrative history genre and experimentation Film as World Literature calls for recognition that while the category of world demands a radical defense in the face of risks to democracy the world that literature and film combined bring forth must interrogate the conditions for a future politics of interaction engagement belonging and difference

The Mummy on Screen Basil Glynn, 2019-11-28 The Mummy is one of the most recognizable figures in horror and is as established in the popular imagination as virtually any other monster yet the Mummy on screen has until now remained a largely overlooked figure in critical analysis of the cinema In this compelling new study Basil Glynn explores the history of the Mummy film uncovering lost and half forgotten movies along the way revealing the cinematic Mummy to be an astonishingly diverse and protean figure with a myriad of on screen incarnations In the course of investigating the enduring appeal of this most Oriental of monsters Glynn traces the Mummy s development on screen from its roots in popular culture and silent cinema through Universal Studios Mummy movies of the 1930s and 40s to Hammer Horror s re imagining of the figure in the 1950s and beyond
