Law enforcement

Without reporting, hate crime remains hidden

Millions experience violence because of racism & intolerance. It may be because of their skin colour due to their ethnic or immigration background. But it may also be due to their religion, sexual orientation or a disability.

Some groups experience **2x** as much violence as the general population.

Up to **9 in 10** do not report attacks anywhere. Most think nothing would change if they reported it, say it is too difficult to report or they do not trust the police.
