

Prayer for Work Meeting

Dear Lord,

Thank you for the goodness and mercy that we receive every day. We thank you that we have found employment. We are here today to discuss topics that will move this establishment forward. Come and take center stage in this meeting. Give us new ideas to be able to stand head and shoulders above our competitors. Grant us the wisdom to make this meeting a productive one. Remove any distractions that will make this meeting unproductive. We start with you and we will end with you. Thank you, Lord, for the answered prayer,

Amen

Sarah Caswell Angell chapter, Ann Arbor,1936 Spirit Invocations; Or, Prayers and Praises Publicly Offered at the Banner of Light Circle Room Free Meetings, by More Than One Hundred Different Spirits ... Through the Vocal Organs of the Late Mrs. J. H. Conant. Compiled by A. Putnam Allen PUTNAM,1876 *The Power Worshippers* Katherine Stewart,2020-03-03 The inspiration for the documentary God Country For readers of Democracy in Chains and Dark Money a revelatory investigation of the Religious Right s rise to political power For too long the Religious Right has masqueraded as a social movement preoccupied with a number of cultural issues such as abortion and same sex marriage In her deeply reported investigation Katherine Stewart reveals a disturbing truth this is a political movement that seeks to gain power and to impose its vision on all of society America s religious nationalists aren t just fighting a culture war they are waging a political war on the norms and institutions of American democracy Stewart pulls back the curtain on the inner workings and leading personalities of a movement that has turned religion into a tool for domination She exposes a dense network of think tanks advocacy groups and pastoral organizations embedded in a rapidly expanding community of international alliances and united not by any central command but by a shared anti democratic vision and a common will to

power She follows the money that fuels this movement tracing much of it to a cadre of super wealthy ultraconservative donors and family foundations She shows that today s Christian nationalism is the fruit of a longstanding antidemocratic reactionary strain of American thought that draws on some of the most troubling episodes in America s past It forms common cause with a globe spanning movement that seeks to destroy liberal democracy and replace it with nationalist theocratic and autocratic forms of government around the world Religious nationalism is far more organized and better funded than most people realize It seeks to control all aspects of government and society Its successes have been stunning and its influence now extends to every aspect of American life from the White House to state capitols from our schools to our hospitals The Power Worshipers is a brilliantly reported book of warning and a wake up call Stewart s probing examination demands that Christian nationalism be taken seriously as a significant threat to the American republic and our democratic freedoms

Routledge Sourcebook of Religion and the American Civil War Robert R. Mathisen, 2014-10-24 In recent years the intersection of religion and the American Civil War has been the focus of a growing area of scholarship. However, primary sources on this subject are housed in many different archives and libraries scattered across the U.S. and are often difficult to find. The Routledge Sourcebook of Religion and the American Civil War collects these sources into a single convenient volume, the most comprehensive collection of primary source material on religion and the Civil War ever brought together. With chapters organized both chronologically and thematically and highlighting the experiences of soldiers, women, African Americans, chaplains, clergy, and civilians, this sourcebook provides a rich array of resources for scholars and students that highlights how religion was woven throughout the events of the war. Sources collected here include Sermons, Song lyrics, Newspaper articles, Letters, Diary entries, Poetry, Excerpts from books and memoirs, Artwork, and photographs. Introductions by the editor accompany each chapter and individual documents contextualize the sources and show how they relate to the overall picture of religion and the war. Beginning students of American history and seasoned scholars of the Civil War alike will greatly benefit from having easy access to the full texts of original documents that illustrate the vital role of religion in the country's most critical conflict.
