*IPad Air 4 User Manual* Peter N Queener, 2021-02-02

Are you a senior or a new user that wants to get the most out of your iPad Air 4th gen? If yes, then this user's guide will give you the best user's experience. Read on to find out more.

With the release of the new iPad Air 4 2020, a massive change has been launched for Apple's light as air line of tablets. It won't be the ungainly version of the standard iPad any longer; it's best described as a specced-down iPad Pro. iPad Air 4 is the fourth 4th generation of Apple's mid-range iPad Air series of gadgets. It is a series of devices that Apple seems confused about where exactly to place them in its line of devices. This year's iPad Air is very similar to the 2020 iPad Pro, as such, it's safe to conclude that Apple has a plan for Airs.

To help you have a full understanding of this tablet, we've compiled some information that we think you'll find useful. Although it also has the same flat edge design as the iPad Pro, the screen of the iPad Air 4 is pretty neat, but it's still different from that of the iPad Pro. Also, it supports one of Apple's best accessories, which is the 2nd Gen Apple Pencil. It features a pair of stereo speakers that sound fantastic, and the Magic Keyboard can now be used on the iPad Air. Hence, the essence of this user's manual is to teach you the how-to hints, tricks to maximizing the New Apple 10.9 iPad and iPadOS 14.

Below are some of the topics this book will focus on:

- Rotating the screen on your iPad
- Sidecar on MacOS Catalina
- How to pin conversations in Messages
- How to Mirror the screen of your iPad on Apple TV
- Using the Apple TV Remote app
- How to copy an iPhone app to your iPad 4 Air without restoring
- How to find your screenshots on your iPad Air 4
- Taking a screenshot with Apple Pencil
- Starting a FaceTime call from a Message conversation
- Universal Search additions
- How to use the Apple Pencil to navigate your iPad Air 4
- How to use Automatic Setup with your iPad
- And so much more!

So why wait? To make the most of your device and to access the latest features of your iPad.
