Chapter 2 Directed Reading Worksheet

The Fall and Promise of a Savior

Directions: Read through the chapter and fill in the missing information. All the questions run sequential to the chapter. If a true/false statement is false, correct it.

Introduction: Original Sin (pages 47–54)

1. What does it mean to say that Adam and Eve enjoyed the greatest human paradise possible?
They did not suffer. They would not die. Work was creative and not a burden. Love of God and neighbor was alive. The two practiced self-mastery.
2. Adam and Eve placed their trust in Satan when he suggested that God was lying to them. He assured them, "You certainly will not Die." God knows well that when you eat of it your Eyes will be opened and you will be like gods, who know good and evil." Consequently, they rejected a God-centered life and chose a self-centered life.
3. Thinking about evil requires thinking about Free will. Humans have the ability to freely Receive God's love and to enter into Communion with him and one another, but also to Refuse God. There is no evil in God, but he Allowed the reality of sin and evil. If there were no Freedom and opportunity to choose, you would be like a Puppet or action figure that God manipulated.
4. True or False? Both humans and angels can choose to move toward God or away from him.
true
5. True or False? Devils and demons are names for angels and humans who reject God radically and choose evil.
false
6. True or False? Satan is equal to God in power.
false
7. Explain why God permits Satan to injure people physically and spiritually.
God permits this because it is the price for making free and intelligent creatures
8. True or False? By restricting the one tree in the garden, God made Adam free to love God or reject God.
true
9. The expulsion from paradise reflects the tragic consequences of Adam and Eve's disobedience: loss of intimacy with God, within themselves, with each other, and with all of creation. They lost everything that derived from the intimacy they shared with God: their place in paradise, original grace, original holiness, and original justice.
10. True or False? Adam and Eve's personal sin affected human nature, which has been passed down through the generations.
true
11. True or False? Original Sin is "committed" by human beings rather than "contracted."
false
12. What was Pelagianism? Why is it a heresy?

Pelagianism is a heresy which said that people could lead morally good lives without God's help because of their natural powers of free will

Answers to Questions Frederic Jennings Haskin, 1926 The Great Controversy Ellen Gould White, 2017-03-02 A foundational text in the Seventh Day Adventist church The Great Controversy is a vision White had of the great battle between Christ and Satan throughout the ages of the early and modern church Although the book is not held with as high esteem in Protestant circles it still is able to outline a way of impactful theological thinking **Matthew: Jimmy Swaggart Bible Commentary** Jimmy Swaggart, 1996 MATTHEW BIBLE COMMENTARY After nearly 40 years of full time ministry Brother Swaggart published his first commentary on the book of Genesis that was later described as the most helpful Bible commentary ever published It would take nearly 20 years to complete the entire commentary series from Genesis to Revelation True to Pentecostal theology the Jimmy Swaggart Commentary collection leads its readers chapter by chapter to a better understanding of the Bible Rather than providing notes on every Bible verse these commentaries focus on the salient verses of each chapter to offer the reader a condensed synopsis of what the Holy Spirit intended Where most relevant cultural and historical references are also included along with explanations of the allegories types and symbolisms used in the Bible to add depth and dimension for students of the Holy Scriptures Yet what seems to separate this work from all other commentaries are the biblical applications made to present day circumstances facing every believer Printed on high quality paper and bound with a beautiful hardback cover this unique reference will be cherished by anyone who loves to study the Word of God **“The” Holy Bible, Containing the Old and New Testaments, According to the Authorised Version**, 1845 The Vitality of Mormonism James E. Blount, 1998 Connecting the apocalyptic message of Mark's Gospel to principles and programs of socio cultural transformation in the life of the Black church today Blount begins his study of Mark by examining the social significance of Jesus proclamation of the coming Kingdom of God Through Jesus God's future power broke through to the human present This experience of the Kingdom empowered the disciples to Go preach the Kingdom message in word and deed to finish the story that Mark's narration about Jesus began Blount compares the situation of today's Black church to the situation in which the Gospel arose and explores the implications of apocalyptic theology for the pastoral mission of the Black church He demonstrates the value of a sociolinguistic approach to the scripture both in interpreting the text in its original context and in unpacking its meaning for today
