Body

INSTEAD (200SAR)

Show a map (Appendix 1.1 pp04) of Strathfield showing local park areas, roads and buildings. Ask the students some questions to get them thinking about their local area.

Questions:

What are the origin names of places/sites?

What are they used for?

How old do they think the places/sites are?

Are there any changes in the community you have seen?

And why have they have changed?

Record the information on a chart (Appendix 1.2 pp05)

NOTE: Chart will be reviewed at the end of the unit

After the information has been recorded introduce the 4 contributing questions so that the students are aware of what they will be investigating.

This will help them think about things they may already know and get them motivated about what they will be doing.

Conclusion

Tell the students that next lesson we will be looking at the first inhabitants of our local community.
