The Church's Object Lessons Edgcombe Walter Leachman,1925 **Lessons in Transonics** Glen C. Cutlip,2020-10-11
This Book as well as all other books and manuscripts published or yet unpublished written by the author began after a dream experience in which I was encouraged to write At that time it didn t seem possible that I could do such a thing However after other inner and outer experiences having taken place the process of writing began Although at first I wasn t sure of what I would be writing about for the writings were somehow inspired One dream experience of which one is not likely to forget is the one where a being of an higher inner realm whispered in my ear saying you are chosen But what for I wasn t sure at that time Another similar dream was one in which I was given the WORD to bring back Again at that time I wasn t sure what that meant However after several manuscripts were written and reread by me things began to fit into place That is the dream experiences were becoming a reality Although the writings must speak for themselves I feel now that I was chosen to present the WORD the WORD of the Transonic Consciousness which is the WORD embracing the realm of the end and the beginning of a cycle of time The Transonic WORD then is the WORD that takes in the harvesting of a previous cycle of time and the WORD for the beginning of a new cycle of time Therefore the WORD is the everlasting WORD the everlasting gospel as it were Inasmuch as the WORD is the everlasting WORD it is backed by an infinity of beings within the inner and outer realms of being **Sermons on the International Sunday-school Lessons for 1876-19** Monday Club (Boston).,1880 Ethical and Religious Problems of the War Joseph Estlin Carpenter,1916 **Is It Really True What You Hear In The Pew** Ted Everett,2023-08-04 Ted Everett has lived in eight different states while working with some of the largest cemetery funeral companies in the world In his position he heard more eulogies sermons than most and was intrigued that no matter what part of the country he was living in or no matter what religious denomination gender or ethnicity all of them were quite similar The overwhelming majority were going to live in heaven for eternity Based on the fact that he was raised in a Christian home as a pastor s kid this did not seem to hold true with what he knew about the Holy Scriptures Hence the birth of this book to answer the question Is it really true what you hear in the pew **The Truth About the Man Jesus the Christ** Simwita Chazhyamaka,2013-12-11 The book tells the reader some of the many is and is nots of the many things being taught about Jesus Christ These are basic truths the reader has to know about Jesus The book consistently draws from the bible **The Natural History of the Christian Religion** William Mackintosh,1894 *The Beginnings of Gospel Story* Benjamin Wisner Bacon,1909 Christ and Civilization National Council of the Evangelical Free Churches,1910 The New Republic Herbert David Croly,1922 *The Ordination of Women* Jan Voerman,2014-04-09 Can you understand algebra if you have never learned basic addition Can you write a book if you have never constructed a simple sentence In order to understand complex things we must go back to the beginning and learn the basics The same principle can be applied to our understanding of biblical truths When looking at the complex issue of women s ordination it is important to examine the

beginning of God's Word Pastor Jan Voerman's analysis of the Genesis account of Creation and the fall of Adam and Eve more than strengthens an unpopular argument for the restoration of the traditional roles of men and women in society In addition to studying the Old and New Testaments in regards to this topic Pastor Voerman also draws from the writings of the early church fathers and Ellen G White The Ordination of Women The Priesthood of All Believers and Other Aspects presents a surprisingly refreshing outlook on a complex subject that encourages readers to return to their biblical roots as people of the book

Called to Be Chosen Garfield Cambridge, 2021-07-27 This book is about the Bible and it's about God who wrote the Bible The book speaks directly about the relationship between a holy God and a sinful human race Its intention is to steer its readers to read and study the Scriptures for they are which that testify of Jesus Christ and in them are found the answers to the issues of life The book highlights from the Bible who we are in the eyes of God and whom He has created us to be It seeks to motivate its readers to examine their lives in light of what the Bible has to say It is a book written to help us think about what our purpose is on this earth based on teachings found only in the word of God The book lets us know that the Bible teaches that each one of us can do great things with the help of God who strengthens everyone that believes that the Lord is mighty and awesome
