House. Committee on Appropriations. Subcommittee on the Departments of Labor, Health and Human Services, Education, and Related Agencies, 2000      Shame on You Melissa Petro, 2024-09-10 In the spirit of Rebecca Traister's *Good and Mad* and Roxane Gay's *Bad Feminist* comes a courageous in depth investigation into the modern epidemic of shame in our society what it is why women are uniquely susceptible and how we can shift the shame off our plates and live our best lives in an over exposed image obsessed world For millions of women shame is a vicious predator It tells us we are less than that we are unworthy We try everything to escape shame ignoring it intellectualizing it and even ironically shaming ourselves for feeling it The reality is that women experience shame more frequently and more intensely than men a direct result as acclaimed journalist Melissa Petro explains of a patriarchal culture that urges women to feel bad about themselves and then punishes them when they do Why can't we figure out how to break the shame cycle once and for all In *Shame on You* Petro takes on the issue of women's shame directly with an unflinching look at the social systems that encourage women to believe we are deeply inadequate From shame's beginnings Maybe she's born with it Nope it's misogyny to its effect on our lives as adults How the humiliation of bad women affects us all shame poisons our friendships romantic relationships and work lives But it doesn't have to be that way Blending investigative reporting science literature and hundreds of women's personal stories including her own shameful account of winding up as an unwitting New York Post cover girl Petro offers us a new way forward No matter what you do she explains there is no escaping being judged And yet the women we can become sometimes as a consequence of shame rather than in spite of it are powerful indeed And maybe that's what others are afraid of

*Federal Role in Addressing the Tragedy of Youth Suicide* United States. Congress. Senate. Committee on the Judiciary. Subcommittee on Juvenile Justice, 1985      **Citizenship and Civic Leadership in America** Carol McNamara, Trevor Shelley, 2022-03-14 The purpose of this volume is to discuss the concept of citizenship in terms of its origins its meanings and its contemporary place and relevance in American democracy and within a global context The authors in this collection wrestle with the connection of citizenship to major tensions between liberty and equality dynamism and stability and civic disagreement and social cohesion The essays also raise fundamental questions about the relationship between citizenship and leadership and invite further reflection on the features of citizenship and civic leadership under the American Constitution Finally this collection offers various suggestions about how to revitalize citizenship and civic leadership through an education that is conducive to a renewal of American civic practices and institutions
