MacBeth,2010 The Art of Family Mediation is a foundational text for the mediation classroom at all levels graduate undergraduate and post graduate Expert mediator and trainer Lynn MacBeth explains family mediation theory and technique in a clear and compelling text that blends an overview of the research and literature with her unique insights and experience in the field To understand the magic of mediation is to understand the mysteries of family dynamics human communication emotional processes and conflict management and intervention The therapeutic aspects of mediation together with the legal and ethical fundamentals necessary to practicing family mediation are set forth concisely in one comprehensive source with consideration given to the laws and practices of multiple U S states For students this book provides an understanding of the evolution of thought practices and legislation affecting family mediation For instructors an organized approach to the subject with case scenarios materials teaching tips and questions for discussion provides one source for an established course that has endured and evolved over a decade Professor MacBeth designed and teaches The Art of Mediation at Duquesne Law School in Pittsburgh Pennsylvania She is a pioneer in the mediation movement having first received her training from the adherents of O J Coogler the father of family mediation in America She is a graduate of the University of Pittsburgh School of Law and Chatham University in Pittsburgh Pennsylvania She has been a mediator trainer and attorney for over twenty five years **Mediation Theory and Practice** Pepperdine University. School of Law. Straus Institute of Dispute Resolution,2012 **Family Mediation** Jane C. Murphy,Robert Robinson,2009-01-01 **Divorce Mediation** Jay Folberg,Ann L. Milne,1988-05-20 Although divorce is essentially a matter of personal choice its emotional aspects are necessarily entwined with legal dynamics making decisions about divorce a matter of both the heart and the law Consequently feelings become facts that must be accommodated in the divorce process in order to reach a viable lasting result Divorce mediation an alternative to traditional judicial intervention and third party decision making facilitates private negotiation and takes into account emotional as well as legal dimensions of marital dissolution This process empowers divorcing couples to be actively involved in making the choices that will affect their lives for years to come The divorce mediator acts as a neutral party who promotes decision making with the family and helps divorcing couples to develop their own parental financial and property arrangements Because divorce mediation views divorce as a multidimensional process that involves both legal and psychological matters it has attracted professionals from both fields who wish to facilitate a less adversarial approach to the dissolution of a marriage DIVORCE MEDIATION THEORY AND PRACTICE fills the currently unmet need for a comprehensive treatment of this burgeoning field Editors Folberg and Milne both nationally recognized authorities have

compiled an interdisciplinary state of the art work on divorce resolution Leading practitioners have contributed chapters which define the theory of divorce mediation and outline techniques and strategies as well as ethical considerations and constraints standards of practice and policy issues Current results and forthcoming research findings on such important and controversial matters such as mediation s role in domestic violence disputes are also included The volume opens with a lucid discussion of theory and practice the nature of divorce disputes and methods for achieving settlements It goes on to offer a detailed overview of the psychological and legal dimensions to be considered Next organizational settings in which divorce mediation occurs namely courts of law private practice agencies and organizations are discussed The implications of divorce mediation for such complex areas of dispute as child custody and financial agreements are vividly conveyed The process of engaging couples in constructive communication and reducing irrationality is fully explored in the chapters on power balancing communication strategies and techniques to break impasses Legal and ethical issues discussed include liability of divorce mediators confidentiality and privilege and standards of practice The book closes with comprehensive coverage of research results a longitudinal comparison of mediated versus adversarial divorce and an in depth descriptive analysis of common divorce mediation behaviors This groundbreaking volume brings together a wide range of noted practitioners and researchers in this dynamic discipline to produce the singular interdisciplinary comprehensive work on this subject to date

DIVORCE MEDIATION THEORY AND PRACTICE will be an indispensable tool for mediators therapists social workers lawyers educators and other dispute resolution professionals It will be of interest to anyone concerned with empowering couples to determine their own mutual and individual responsibilities and rendering the process of marriage dissolution more cooperative and humane

Family Mediation Howard H. Irving, Michael Benjamin, 1987 **Mediation Theory and Practice**(Looseleaf Alfini, Family Mediation Howard H. Irving, University of Toronto. Faculty of Social Work, University of Toronto. Faculty of Law, 1992 **Advanced Negotiation and Mediation Theory and Practice** Thomas F. Guernsey, Paul J. Zwier, 2005 In this new updated edition of *Advanced Negotiation and Mediation Theory and Practice* Paul Zwier and Thomas Guernsey present a strategic planning and integrated systematic approach to negotiation which recognizes that both adversarial and problem solving strategies have distinct advantages and that lawyers need to combine styles and strategies to achieve the best results for their clients Zwier and Guernsey provide attorneys with an outline to plan and implement effective negotiation techniques using up to date situations throughout the book to demonstrate how understanding negotiation theory and practice can help them partner with their clients to make better strategic use of negotiation The authors break down the counseling process into stages and show what information the client needs to make an informed decision They then suggest and give examples of the techniques and skills that might be used to implement that decision in a negotiation and or mediation setting **Mediation Theory & Practice** ,2014 *Family Mediation* Florida State University.
