Badgett, 2021-10-14 Orthodox Christology maintains that Jesus Christ is both truly God and truly human As such he is the key to knowing both God and self In a series of applications of christological anthropology Mirrors of Self develops this epistemic premise in dialogue with a diversity of Christian and secular historical and modern perspectives Aspects of human personhood including the ever elusive self gain greater clarity and significance in the light of Christ s person and work At the center of individual human subjectivity we encounter a broken sin blinded self in need of renewal and release What healing we find comes to us as Christ s ecological presence works in and through others the mirrors of self whose instrumental agency Christ employs in service to his own redemptive ends **English Mechanic and Mirror of Science** ,1884 **Books in Print** ,1991 *Darkening Mirrors* Stephanie Leigh Batiste, 2011 In an important contribution to African American film and performance history Stephanie Batiste looks back at African American stage and screen productions of the 1930s **The Gospel According to Mark** James R. Edwards, 2002 This new Pillar volume offers exceptional commentary on Mark that clearly shows the second Gospel though it was a product of the earliest Christian community to be both relevant and sorely needed in today s church Written by a biblical scholar who has devoted thirty years to the study of the second Gospel this commentary aims primarily to interpret the Gosepl of Mark according to its theological intentions and purposes especially as they relate to the life and ministry of Jesus and the call to faith and discipleship Unique features of James Edwards s approach include clear descriptions of key terms used by Mark and revealing discussion of the Gospel s literary features including Mark s use of the sandwich technique and of imagistic motifs and irony Edwards also proposes a new paradigm for interpreting the difficult Little Apocalypse of chapter 13 and he argues for a new understanding of Mark s controversial ending **Creation's Slavery and Liberation** Presian Renee Burroughs, 2022-11-03 What did the apostle Paul mean when he portrayed the creation as subjected to frustration and enslaved to destruction What forms of frustration and destruction might he have seen throughout the Roman Empire And how would he describe creation s condition today Creation s Slavery and Liberation addresses these questions by tracing the story of creation as it appears in Paul s own Scriptures the Tanakh Roman imperial propaganda Paul s letter to Rome and U S industrial agriculture This story reveals

God to be the Creator who makes right justifies and makes alive through Jesus Christ and the Spirit Because God liberates justifies and vivifies the entire creation and since according to Paul creation s liberation is linked to humanity s glorification Paul expects Christians to pursue justice and nourish life Burroughs encapsulates key justice oriented and life supporting practices in seven eco ethical principles To make these principles come alive she describes the ways in which Roman imperial and American industrial regimes have caused injustice and destruction and instead she proposes more regenerative approaches to growing enjoying and sharing our daily bread *Clothed in the Body* Hannah Hunt,2016-05-23 Hunt examines the apparent paradox that Jesus earthly existence and post resurrection appearances are experienced through consummately physical actions and attributes yet some ascetics within the Christian tradition appear to seek to deny the value of the human body to find it deadening of spiritual life Hunt considers why the Christian tradition as a whole has rarely managed more than an uneasy truce between the physical and the spiritual aspects of the human person Why is it that the Church has energetically argued through centuries of ecumenical councils for the dual nature of Christ but seems still unwilling to accept the full integration of physical and spiritual within humanity despite Gregory of Nazianzus s comment that what has not been assumed has not been redeemed
