Academic Pandemic: Can't Read, Can't Learn! Armand A. Fusco Ed.D.,2025-01-21 Boys Academic Pandemic Abstract If schools didn t exist there would be no boy crisis or Academic Pandemic The single root cause is the lack of literacy reading skills due to instructional malpractice involving when and how reading instruction is done It s a combination of practices because schools are for girls dominated by females and misandry prejudice against boys conscious and unconscious Unless the thorny issues involved are resolved aggressively and effectively it will continue to cause pervasive consequences In addition overwhelming research proves that black boys are in a free fall without schools implementing known effective remedies School officials have used the false narrative that socio economic factors poverty discrimination dysfunctional families poor housing etc are causes to absolve them from responsibility to remedy the problems The proof is the Mississippi Miracle that has made more progress in just ten years than any other state The remedies and treatments must be matched with root not perceived causes The deficits are shockingly manifested in the 2022 National Assessment of Education Progress results with 67% 30 million below proficiency in reading and 75% 35 million below in math When frustrated with learning stress and anger result that cause dire consequences discipline chaos and the school to prison pipeline dropouts becoming evident because that s where students are compared with one another over 12 years Dysfunctional homes single parent homes and overprotective parents also play a crucial role in creating Bubble Wrap Children BWC who are armed with layers of protective bubble wrap to shield them from any negative flak but school and life events find ways to pierce the bubble The root cause is too obvious to consider as the book will reveal instead it must be viewed as more complex when it s not It closes with an open letter to incarcerated youth **Setting Performance Standards** Gregory J. Cizek,2012-03-22 Setting standards of performance is a ubiquitous task in education licensure certification and credentialling It is found in elementary schooling the professions commercial applications and governmental and private organizations It is one of the most complex controversial and vexing issues facing specialists and policy makers today This second edition solidifies Setting Performance Standards as the only book providing a comprehensive profile of both the issues and the how to methods that define this thorny field Four chapters have been removed 11 chapters have been added 2 chapters have major revisions and all chapters have been updated Comprehensive Part I provides a conceptual overview of standard setting and its overarching issues Part II provides practical how to information on the newest standard setting methods Part III provides information and advice on persistent and potential challenges in standard setting Practical Part II the heart of the book reviews 16 of the newest

standard setting methods far more than any other book Expertise Most of the well known authors from the 1st edition return with authors of equal stature contributing new chapters *Public Roads* ,1918 **Public Roads: a Journal of Highway Research** ,1918 Social Studies Today Walter C. Parker,2015-04-10 Social Studies Today will help educators teachers curriculum specialists and researchers think deeply about contemporary social studies education More than simply learning about key topics this collection invites readers to think through some of the most relevant dynamic and challenging questions animating social studies education today With 12 new chapters highlighting recent developments in the field the second edition features the work of major scholars such as James Banks Diana Hess Joel Westheimer Meira Levinson Sam Wineburg Beth Rubin Keith Barton Margaret Crocco and more Each chapter tackles a specific question on issues such as the difficulties of teaching historical thinking in the classroom responding to high stakes testing teaching patriotism judging the credibility of Internet sources and teaching with film and geospatial technologies Accessible compelling and practical these chapters full of rich examples and illustrations showcase some of the most original thinking in the field and offer pre and in service teachers alike a panoramic window on social studies curricula and instruction and new ways to improve them Walter C Parker is Professor and Chair of Social Studies Education and by courtesy Professor of Political Science at the University of Washington Seattle
