Uddhammar**

Movements In Times Of Democratic Transition:

Movements in Times of Democratic Transition Bert Klandermans, Cornelis van Stralen, 2015-01-09 In regions that have undergone tumultuous transitions democratic social movements have often been the catalyst for great change However once those changes occur can these movements survive and if so how The editors and contributors to *Movements in Times of Democratic Transition* examine in comparative detail how social movements act within the context of the democratic transitions they have been fighting for and how they are affected by the changes they helped bring about Offering insights into the nature of how social movements decline radicalize revitalize or spark new cycles of activism *Movements in Times of Democratic Transition* provides a comprehensive analysis of these key questions of mobilization research Contributors include Paul Almeida Christopher J Colvin Stephen Ellis Grzegorz Ekiert Grzegorz Forys Krzysztof Gorlach Camila Penna Sebastia n Pereyra Steven Robbins Ton Salman Mate Szabo Ineke van Kessel Michal Wenzel and the editors [Social](#)

[Movements in Times of Austerity: Bringing Capitalism Back Into Protest Analysis](#) Donatella della Porta, 2015-06-03 Recent years have seen an enormous increase in protests across the world in which citizens have challenged what they see as a deterioration of democratic institutions and the very civil political and social rights that form the basis of democratic life Beginning with Iceland in 2008 and then forcefully in Egypt Tunisia Spain Greece and Portugal or more recently in Peru Brazil Russia Bulgaria Turkey and Ukraine people have taken to the streets against what they perceive as a rampant and dangerous corruption of democracy with a distinct focus on inequality and suffering This timely new book addresses the anti austerity social movements of which these protests form part mobilizing in the context of a crisis of neoliberalism Donatella della Porta shows that in order to understand their main facets in terms of social basis strategy and identity and organizational structures we should look at the specific characteristics of the socioeconomic cultural and political context in which they developed The result is an important and insightful contribution to understanding a key issue of our times which will be of interest to students and scholars of political and economic sociology political science and social movement studies as well as political activists **Feminist Movements in Time and Space** Giada Bonu Rosenkranz, Donatella della

Porta, 2025-02-14 This volume provides a broad analysis of feminist movements both historical and present day in Europe It will fill the gap in the literature on feminist mobilizations through a systematic analysis of European third wave feminism from a cross national perspective covering Denmark France Greece Italy Poland Slovenia Spain and Turkey and a cross time perspective covering the time frame 2010 2021 In doing this the authors also single out the different constellations of feminist movements as related to specific national political opportunities and networks of alliance and opposition This book will be of interest to students and scholars in gender studies feminist theory and social movement studies [A Social Psychology of Protest](#) Jacqueli en van Stekelenburg, Bert Klandermans, 2023-12-07 Protest is typically rare behavior yet the first decade of the twenty first century has been named the era of protest Successful protests bring masses to the streets and

the emergence of social media has fundamentally changed the process of mobilization What protests need to be successful is demand grievances anger and indignation supply protest organizations and mobilization effective communication networks Motivation to participate can be instrumental expressive and identity driven and politicized collective identity plays an important role in the dynamics of collective action This volume brings together insights from social psychology political psychology sociology and political science to provide a comprehensive and up to date analysis of protest participation particularly to the question of why some people protest while others do not It is essential reading for scholars interested in the social and political psychology of individuals in action

Political Opposition and Democracy in Sub-Saharan Africa Elliott Green, Johanna Söderström, Emil Uddhammar, 2016-04-08 This book takes a closer look at the role and meaning of political opposition for the development of democracy across sub Saharan Africa Why is room for political opposition in most cases so severely limited Under what circumstances has the political opposition been able to establish itself in a legitimate role in African politics To answer these questions this edited volume focuses on the institutional settings the nature and dynamics within and between political parties and the relationship between the citizens and political parties It is found that regional devolution and federalist structures enable political opposition to organize and gain local power as a supplement to influence at the central level Generally however opposition parties are lacking in organization and institutionalization as well as in their ability to find support in civil society and promote the issues that voters find most important Overall strong executive powers unchecked by democratic institutions in combination with deferential values and fear of conflict undermine legitimate opposition activity This book was originally published as a special issue of Democratization

South Korean Social Movements Gi-Wook Shin, Paul Y Chang, 2011-06-01 This book explores the evolution of social movements in South Korea by focusing on how they have become institutionalized and diffused in the democratic period The contributors explore the transformation of Korean social movements from the democracy campaigns of the 1970s and 1980s to the rise of civil society struggles after 1987 South Korea was ruled by successive authoritarian regimes from 1948 to 1987 when the government decided to re establish direct presidential elections The book contends that the transition to a democratic government was motivated in part by the pressure from social movement groups that fought the state to bring about such democracy After the transition however the movement groups found themselves in a qualitatively different political context which in turn galvanized the evolution of the social movement sector Including an impressive array of case studies ranging from the women s movement to environmental NGOs and from cultural production to law the contributors to this book enrich our understanding of the democratization process in Korea and show that the social movement sector remains an important player in Korean politics today This book will appeal to students and scholars of Korean studies Asian politics political history and social movements

Popular Politics and the Path to Durable Democracy Mohammad Ali Kadivar, 2022-11-22 A groundbreaking account of how prolonged grassroots mobilization lays the foundations for durable democratization When

protests swept through the Middle East at the height of the Arab Spring the world appeared to be on the verge of a wave of democratization Yet with the failure of many of these uprisings it has become clearer than ever that the path to democracy is strewn with obstacles Mohammad Ali Kadivar examines the conditions leading to the success or failure of democratization shedding vital new light on how prodemocracy mobilization affects the fate of new democracies Drawing on a wealth of new evidence Kadivar shows how the longest episodes of prodemocracy protest give rise to the most durable new democracies He analyzes more than one hundred democratic transitions in eighty countries between 1950 and 2010 showing how more robust democracies emerge from lengthier periods of unarmed mobilization Kadivar then analyzes five case studies South Africa Poland Pakistan Egypt and Tunisia to investigate the underlying mechanisms He finds that organization building during the years of struggle develops the leadership needed for lasting democratization and strengthens civil society after dictatorship Popular Politics and the Path to Durable Democracy challenges the prevailing wisdom in American foreign policy that democratization can be achieved through military or coercive interventions revealing how lasting change arises from sustained nonviolent grassroots mobilization Global Conflict Resolution Through Positioning Analysis Fathali M.

Moghaddam, Rom Harré, Naomi Lee, 2007-11-15 Positioning theory is the study of the nature formation influence and ways of change of local systems of rights and duties as shared assumptions about them influence small scale interactions Evolving from linguistics origins the theory concerns conventions of speech and action that are labile contestable and ephemeral With this theory researchers are able to examine the dynamic flow of social interaction as well as give equal weight to the role of discourse and the psychological resolution of conflict This volume applies positioning theory in order to achieve a fuller and more in depth understanding of conflict and its psychological resolution The editors approach positioning from the micro interpersonal level all the way to the macro intergroup and international level Achieving Access Joseph Harris, 2017-09-15

At a time when the world's wealthiest nations struggle to make health care and medicine available to everyone why do resource constrained countries make costly commitments to universal health coverage and AIDS treatment after transitioning to democracy Joseph Harris explores the dynamics that made landmark policies possible in Thailand and Brazil but which have led to prolonged struggle and contestation in South Africa Drawing on firsthand accounts of the people wrestling with these issues Achieving Access documents efforts to institutionalize universal healthcare and expand access to life saving medicines in three major industrializing countries In comparing two separate but related policy areas Harris finds that democratization empowers elite professionals such as doctors and lawyers to advocate for universal health care and treatment for AIDS Harris's analysis is situated at the intersection of sociology political science and public health and will speak to scholars with interests in health policy comparative politics social policy and democracy in the developing world In light of the growing interest in health insurance generated by implementation of the Affordable Care Act as well as the coming changes poised to be made to it Achieving Access will also be useful to policymakers in developing countries and

officials working on health policy in the United States Methods and Approaches in Comparative Political Analysis Pushpa Singh, Chetna Sharma, 2024-12-18 This book focuses on the methods and approaches in comparative politics while tracing the evolution of the discipline Exploring its historical legacy through a comparative perspective it uses research methods and methodologies to critically analyse the approaches discussed in the book This unique volume provides an exclusive reading on the dimension of gender in comparative politics It also investigates the foundational approaches and insights from the perspective of postcolonial societies and diverse regions of the world Lucidly written to serve a diversity of readership this book is an invaluable resource for students researchers and teachers from the departments of political science public administration history and journalism Owing to its detailed diverse and rich discussions on the different aspects of these themes it will be equally useful to researchers in the field of gender studies and comparative politics

Unveiling the Power of Verbal Beauty: An Psychological Sojourn through **Movements In Times Of Democratic Transition**

In some sort of inundated with screens and the cacophony of instantaneous transmission, the profound energy and psychological resonance of verbal artistry often disappear into obscurity, eclipsed by the constant assault of noise and distractions. Yet, situated within the lyrical pages of **Movements In Times Of Democratic Transition**, a charming perform of literary splendor that impulses with raw feelings, lies an unforgettable journey waiting to be embarked upon. Movements In Times Of Democratic Transition Introduction

In today's digital age, the availability of Movements In Times Of Democratic Transition books and manuals for download has revolutionized the way we access information. Gone are the days of physically flipping through pages and carrying heavy textbooks or manuals. With just a few clicks, we can now access a wealth of knowledge from the comfort of our own homes or on the go. This article will explore the advantages of Movements In Times Of Democratic Transition books and manuals for download, along with some popular platforms that offer these resources. One of the significant advantages of Movements In Times Of Democratic Transition books and manuals for download is the cost-saving aspect. Traditional books and manuals can be costly, especially if you need to purchase several of them for educational or professional purposes. By accessing Movements In Times Of Democratic Transition versions, you eliminate the need to spend money on physical copies. This not only saves you money but also reduces the environmental impact associated with book production and transportation. Furthermore, Movements In Times Of Democratic Transition books and manuals for download are incredibly convenient. With just a computer or smartphone and an internet connection, you can access a vast library of resources on any subject imaginable. Whether you're a student looking for textbooks, a professional seeking industry-specific manuals, or someone interested in self-improvement, these digital resources provide an efficient and accessible means of acquiring knowledge. Moreover, PDF books and manuals offer a range of benefits compared to other digital formats. PDF files are designed to retain their formatting regardless of the device used to open them. This ensures that the content appears exactly as intended by the author, with no loss of formatting or missing graphics. Additionally, PDF files can be easily annotated, bookmarked, and searched for specific terms, making them highly practical for studying or referencing. When it comes to accessing Movements In Times Of Democratic Transition books and manuals, several platforms offer an extensive collection of resources. One such platform is Project Gutenberg, a nonprofit organization that provides over 60,000 free eBooks. These books are primarily in the public domain, meaning they can be freely distributed and downloaded. Project Gutenberg offers a

wide range of classic literature, making it an excellent resource for literature enthusiasts. Another popular platform for Movements In Times Of Democratic Transition books and manuals is Open Library. Open Library is an initiative of the Internet Archive, a non-profit organization dedicated to digitizing cultural artifacts and making them accessible to the public. Open Library hosts millions of books, including both public domain works and contemporary titles. It also allows users to borrow digital copies of certain books for a limited period, similar to a library lending system. Additionally, many universities and educational institutions have their own digital libraries that provide free access to PDF books and manuals. These libraries often offer academic texts, research papers, and technical manuals, making them invaluable resources for students and researchers. Some notable examples include MIT OpenCourseWare, which offers free access to course materials from the Massachusetts Institute of Technology, and the Digital Public Library of America, which provides a vast collection of digitized books and historical documents. In conclusion, Movements In Times Of Democratic Transition books and manuals for download have transformed the way we access information. They provide a cost-effective and convenient means of acquiring knowledge, offering the ability to access a vast library of resources at our fingertips. With platforms like Project Gutenberg, Open Library, and various digital libraries offered by educational institutions, we have access to an ever-expanding collection of books and manuals. Whether for educational, professional, or personal purposes, these digital resources serve as valuable tools for continuous learning and self-improvement. So why not take advantage of the vast world of Movements In Times Of Democratic Transition books and manuals for download and embark on your journey of knowledge?

FAQs About Movements In Times Of Democratic Transition Books

How do I know which eBook platform is the best for me? Finding the best eBook platform depends on your reading preferences and device compatibility. Research different platforms, read user reviews, and explore their features before making a choice. Are free eBooks of good quality? Yes, many reputable platforms offer high-quality free eBooks, including classics and public domain works. However, make sure to verify the source to ensure the eBook credibility. Can I read eBooks without an eReader? Absolutely! Most eBook platforms offer webbased readers or mobile apps that allow you to read eBooks on your computer, tablet, or smartphone. How do I avoid digital eye strain while reading eBooks? To prevent digital eye strain, take regular breaks, adjust the font size and background color, and ensure proper lighting while reading eBooks. What the advantage of interactive eBooks? Interactive eBooks incorporate multimedia elements, quizzes, and activities, enhancing the reader engagement and providing a more immersive learning experience. Movements In Times Of Democratic Transition is one of the best book in our library for free trial. We provide copy of Movements In Times Of Democratic

Transition in digital format, so the resources that you find are reliable. There are also many Ebooks of related with Movements In Times Of Democratic Transition.
