A Preface to Hardy Merryn Williams, 2018-10-08 A Preface to Hardy remains the best introduction to one of the most important and popular writers in English literature The first section concentrates on Hardy the man and outlines the intellectual and cultural context in which he lived The author then moves on to examine a wide range of Hardy's work with particular reference to *The Mayor of Casterbridge* There is new material on Hardy's short stories and their relation to the major novels and on *The Dynasts* which accompanies a study of a range of Hardy's other poetry

Unbodied Hope Lawrence Thornton, 1984 This book explores two forms of narcissism Apollonian and Dionysian in an attempt to illuminate the theology of the self and attendant questions of identity which have concerned a wide range of novelists Works by Flaubert Chopin Conrad Ford Fitzgerald Durrell Gide Mann and Hawkes are examined

Educating Character Through Stories David Carr, Tom Harrison, 2015-01-14 What could be the point of teaching such works of bygone cultural and literary

inheritance as Cervantes Don Quixote and Shakespeare's The Merchant of Venice in schools today This book argues that the narratives and stories of such works are of neglected significance and value for contemporary understanding of human moral association and character However in addition to offering detailed analysis of the moral educational potential of these and other texts the present work reports on a pioneering project recently pursued by the Jubilee Centre for Character and Virtues concerned precisely with the use of these and other stories for moral and character education in schools The success of the Knightly Virtues project is an inspiring story in its own right and should therefore be of enormous interest to all schools teachers and parents rightly concerned with this all important aspect of their children's educational development **The**
