Emotional Affairs Learning To Trust Again After Infidelity:

Emotional Infidelity M. Gary Neuman, 2009-06-03 What's holding you back from a great marriage I don't believe in okay decent or solid marriages I'm against them says M Gary Neuman I believe only in great marriages and that you should expect and reach for no less In the last fifteen years M Gary Neuman marital therapist and architect of the Sandcastles Divorce Therapy Program has helped thousands of couples in crisis Couples who fight Who've grown apart Who are stuck in relationships that run more on routine and rancor than love and understanding What he's found is that contrary to popular belief the problem is usually not poor communication It's the failure to put most of your focus into your marriage You've only got so much energy Are you spending it by being emotionally unfaithful Take a quick check Do you send that funny e-mail to your friends at work but not to your spouse Do you chew over all the problems on the job so thoroughly with your colleagues that by the time you get home you just don't feel like going into it all over again Do you get a secret thrill out of flirting with coworkers thinking it's safe because you know it's not going any further If so you're committing emotional infidelity and you're draining your marriage of the energy it needs to be great Learning how to break this cycle is one of eleven secrets M Gary Neuman shares in his provocative new book Based on the ten week program he's developed in his successful couples counseling practice the book offers guidelines that are often counterintuitive even outrageous or shocking But they work Dare to limit contact with members of the opposite sex Dare to need each other Dare to put in writing the nitty gritty realities of a marriage plan Dare to put your marriage before your kids or job Dare to make love in a whole new way Dare to change your focus make the commitment to focus on each of the eleven secrets ten plus one bonus secret for one week apiece and you'll reap the rewards of a transformed marriage and a reconfirmed relationship M Gary Neuman's program is guaranteed to challenge you and make you reexamine the myths holding you back from true happiness and satisfaction It will change your marriage forever *Can We Cure and Forgive Adultery?* Bonnie Eaker Weil, 2004 It's time we addressed the epidemic of adultery as a disease Learn how to stay not stray Loving Isn't Easy J. Bailey Molineux, 2000-09 *After the Affair* J.D. Rockefeller, 2015-07-03 Infidelity can yield devastating consequences to a couple and is often tamed the ultimate deal breaker ahead of physical abuse and emotional unavailability Yet more than half of married people decide to weather the storm than break their relationship Unfortunately the healing process from an affair isn't an overnight event and even the most loving and committed couples can be accosted by painful feelings resentment and paralyzing guilt The effects of an affair can be detrimental have psychological affect your kids and induce low self esteem And the worst thing is that the pain will linger for a period unknown In this book you will learn Stage One Reacting to An Affair Feeling Pain and Betrayal Stage Two Reviewing Your Options About Staying or Leaving the Relationship Stage Three Recovering From An Affair How to Rebuild Trust and Love Stage Four Discussing What Happened After Learning About An Affair Stage Five Learning to Forgive Your Partner After Discovering An Affair Let's get started Sexual Citizens Brenda Cossman, 2007 This book

explores the relationship between sex and belonging in law and popular culture arguing that contemporary citizenship is sexed privatized and self disciplined Former sexual outlaws have challenged their exclusion and are being incorporated into citizenship But as citizenship becomes more sexed it also becomes privatized and self disciplined The author explores these contesting representations of sex and belonging in films television and legal decisions She examines a broad range of subjects from gay men and lesbians pornographers and hip hop artists to women selling vibrators adulterers and single mothers on welfare She observes cultural representations ranging from Queer Eye for the Straight Guy to Dr Phil Sex in the City to Desperate Housewives She reviews appellate court cases on sodomy and same sex marriage national welfare reform and obscenity regulation Finally the author argues that these representations shape the terms of belonging and governance producing good and bad sexual citizens based on the degree to which they abide by the codes of privatized and self disciplined sex
