Wallace's stories present a world where the bizarre and the banal are interwoven, and where hideous men appear in many guises. Among the stories are *The Depressed Person*, a dazzling and blackly humorous portrayal of a woman's mental state; *Adult World*, which reveals a woman's agonized consideration of her confusing sexual relationship with her husband; and *Brief Interviews with Hideous Men*, a dark, hilarious series of imagined interviews with men on the subject of their relations with women. Wallace delights in leftfield observation, mining the absurd, the surprising, and the illuminating from every situation. This collection will enthrall DFW fans and provides a perfect introduction for new readers. *A Letter to My X* Lyric, 2019-08-19 This is a story of lessons learned from REAL LIFE. The so-called normal story of boy meets girl, girl falls in love, babies and happily ever after do not apply to this life. A book of lessons learned told through an honest tale of love and healing. **Trying to Get Over** Keith Corson, 2016-03-22 From 1972 to 1976, Hollywood made an unprecedented number of films targeted at black audiences. But following this era, known as blaxploitation, the momentum suddenly reversed for black filmmakers, and a large void separates the end of

blaxploitation from the black film explosion that followed the arrival of Spike Lee's *She's Gotta Have It* in 1986. Illuminating an overlooked era in African American film history, *Trying to Get Over* is the first in-depth study of black directors working during the decade between 1977 and 1986. Keith Corson provides a fresh definition of blaxploitation, lays out a concrete reason for its end, and explains the major gap in African American representation during the years that followed. He focuses primarily on the work of eight directors: Michael Schultz, Sidney Poitier, Jamaa Fanaka, Fred Williamson, Gilbert Moses, Stan Lathan, Richard Pryor, and Prince, who were the only black directors making commercially distributed films in the decade following the blaxploitation cycle. Using the careers of each director and the twenty-four films they produced during this time to tell a larger story about Hollywood and the shifting dialogue about race, power, and access, Corson shows how these directors are a key part of the continuum of African American cinema and how they have shaped popular culture over the past quarter century.

X That Ex Kristin E. Carmichael, LISW, 2013-01-03. Hell no! It's over. I am done. Saying it to him felt so damned good. God knows he deserved it. Still, he deserves it. So why is it that only a few weeks later I doubt if I can stand by what I said? **X That Ex** is the long-awaited answer for women who have left a bad relationship and don't want to go back. It is incredibly common for women to leave partners who are emotionally unavailable, disrespectful, immature, selfish, or even abusive, but then struggle to stay away. Women might be tripped up by their exes' schemes to get them back, their own self-sabotaging ways, or even by our society, which seems to glorify a "just give him one more chance" philosophy. To their family and friends' dismay, huge numbers of women go back to toxic relationships, wasting years and the possibility of happier lives on men who can't give them what they deserve. If the post-breakup world for most people were logical, fair, regulated, and well-defined, there would be no need for **X That Ex**. As most of us know, however, the time after a breakup is emotionally messy, sometimes chaotic, and filled with conflicting feelings, motivations, hopes, temptations, and realities that must be dealt with. **X That Ex** focuses on this confusing

time demystifying why it is so difficult to stay away from a problematic ex and distinguishing itself by making personalized predictions for readers about what to expect from their exes and themselves in the tumultuous time right after a relationship ends This book is a unique roadmap that guides readers through the sometimes perilous time when a woman s ex might try time tested tactics to tempt her back when self sabotage may make a woman her own worst enemy and when even our culture gets in on the action by making reunification seem reasonable **Package X** United States.
