their lives forever For the city of Esperanza is a place out of time partly in the material world and partly existing on another plane There the spiritual world can manifest The dead can come through and they do A few of the dead are Chasers beings of light who have deferred their passage to a higher plane in order to help and protect the living But many of the dead are brujos angry ghosts who cannot let go who desire only to possess the bodies of the living so they can reclaim their own physical existence in the world Brujos kill those they possess sooner or later Tess and Ian and their families have made a good life together in Esperanza and have no desire to ever leave it But now something unusual even for Esperanza is happening Parts of the city seem to be leaving them TJ MacGregor creates imaginative worlds where neither beasts ghosts nor humans are as they seem to be where anything and anyone can change in a flash where love is still worth saving and where the most courageous act of all is simply holding on to your humanity Nancy Pickard **Soldiers and Ghosts** Phil Gutierrez,2013-05-29 Though little more than a boy Private Josh Simmons is no green recruit of the Confederate Army Now seventeen years old he participated in the Battle of Gettysburg last year Like most of his fellow soldiers he doesnt truly understand the underpinnings of the battle but he has faith in his commanders especially General Robert E Lee Simmons fights on the premise the blue bellies are down here threatening his home and his family He also knows death waits for him up some road trail field or grade Now a century and a half after the most momentous struggle in American history Soldiers and Ghosts tells the story of the American Civil War from ground level through the eyes of Simmons a Confederate infantryman It narrates the experiences of young adolescents during one of the most dramatic and chaotic moments of that Wilderness Campaign of 1864 The first book in a trilogy Soldiers and Ghosts tells a tale of valor amid the horror of unceasing battle and struggle as the Ghost Army gained recruits at feverish pitch during the darkest days of the Civil War *The Summary* ,1906
