Helene Fulton,2015-01-11 There are only two roads one leads to heaven and one leads to hell This is a spiritual fact without change or compromise there is no middle road and no chance to sit on the fence There are numerous false religions operating in the world today falsely broadcasting themselves as truth or as God s truth for that matter These religions may on the contrary be the foundation of lifelong poverty family breakdown mental derangement physical illness or varying manifestations of bizarre behavior in the lives of people These individuals have either turned their back on the true God completely or by their actions have allowed some of these pagan and false religious practises to creep into there every day lives By clinging to these pagan traditions we inadvertently give Satan a foothold in our lives In these books these false religions have been measured up against the word wisdom and knowledge of God The word of God says that His word is like fire and is a hammer that breaks rocks into pieces *Financial First Aid for Canadian Investors* Bryan Snelson,Michael Graham,Cindy David,2009-10-08 Praise for the previous edition Portfolio First Aid I d categorize Portfolio First Aid as a serious investment primer that has the laudable if ambitious goal of raising the sophistication level of the general public Jonathan Chevreau Financial Post Portfolio First Aid has the right pedigree as an advice tome on healthy investing Covers the

Selvin, 2016-08-16 In this breathtaking cultural history filled with exclusive never before revealed details celebrated rock journalist Joel Selvin tells the definitive story of the Rolling Stones infamous Altamont concert the disastrous historic event that marked the end of the idealistic 1960s In the annals of rock history the Altamont Speedway Free Festival on December 6 1969 has long been seen as the distorted twin of Woodstock the day that shattered the Sixties promise of peace and love when a concertgoer was killed by a member of the Hells Angels the notorious biker club acting as security While most people know of the events from the film Gimme Shelter the whole story has remained buried in varied accounts rumor and myth until now Altamont explores rock s darkest day a fiasco that began well before the climactic death of Meredith Hunter and continued beyond that infamous December night Joel Selvin probes every aspect of the show from the Stones hastily planned tour preceding the concert to the bad acid that swept through the audience to other deaths that also occurred that evening to capture the full scope of the tragedy and its aftermath He also provides an in depth look at the Grateful Dead s role in the events leading to Altamont examining the band s behind the scenes presence in both arranging the show and hiring the Hells Angels as security The product of twenty years of exhaustive research and dozens of interviews with many key players including medical staff Hells Angels members the stage crew and the musicians who were there and featuring sixteen pages of color photos Altamont is the ultimate account of the final event in rock s formative and most turbulent decade
