Gina And Mike The Yearbook Series English Edition:

Handbook of New Media Leah A Lievrouw, Sonia M. Livingstone, 2006-01-17 Thoroughly revised and updated this Student Edition of the successful Handbook of New Media has been abridged to showcase the best of the hardback edition This Handbook sets out boundaries of new media research and scholarship and provides a definitive statement of the current state of the art of the field Covering major problem areas of research the Handbook of New Media includes an introductory essay by the editors and a concluding essay by Ron Rice Each chapter written by an internationally renowned scholar provides a review of the most significant social research findings and insights Evaluating the Obama Presidency Meena Bose, Paul Fritz, 2024-07-22 In 2007 and 2008 Barack Obama ran for president with a message of a shared purpose uniting all Americans and was elected with expectations that he would usher in a new national culture under an approach grounded in public engagement that would transcend partisan divisions But in an institutional system designed for incremental and contested policy making governance enacting these transformational ambitions proved to be far more difficult than anticipated This innovative volume assesses the legacy of President Obama with a conceptual focus on the challenge of meeting his goals with the realities of governing A diverse group of political science history and communication studies experts systematically examines Obama's performance accomplishments and shortcomings through the lens of the expectations gap the tensions and obstacles of translating campaign promises into policies The wide representative set of case studies address campaigning and coalition building party polarization presidential communication executive power leadership and decision making and domestic and foreign policy With original and deep analysis these scholars make a unique enduring contribution to understanding the Obama presidency the office of the president and indeed American politics This insightful accessible book will be of great interest to students and scholars of the presidency political communication rhetoric and broadly across US government and democracy *Catalog of Copyright Entries. Third Series* Library of Congress. Copyright Office, 1973 **Salvation and Catastrophe** Konstantinos Travlos, 2020-10-14 The Greek Turkish War of 1919-1923 also known as the Western Front of the Turkish War of Liberation and the Asia Minor Campaign was one of the key aftershocks of the First World War Internationally better known for its aftermath the Compulsory Population Exchange between Greece and Turkey the Catastrophe of Ottoman Greeks and the foundation of the Republic of Turkey under Mustafa Kemal Atatürk the war has never been given a holistic treatment in English despite its long shadow over the Greek Turkish relationship The contributors in this volume address this gap by bringing to the fore on its centenary aspects of the onset conduct and aftermath of this war Combining insights from the study of international relations political science strategic studies military history migration studies and social history the contributions tell the story of leaders and decisions battles and campaigns voluntary and involuntary migration and the human stories of suffering and resilience It is aspects of the story of the last gasp of the Great War in Europe brought to its final end with Treaty of Lausanne of 1923

German-Language Children's and Youth Literature In The Media Network 1900-1945. Petra Josting, Marlene Antonia Illies, Matthias Preis, Annemarie Weber, 2023-11-16 With the research of German language children's and youth literature and its media associations in the period from 1900 to 1945 as well as the recording of all data in an online portal for research and visual analysis an innovative contribution to the historiography of children's and youth literature is available The introduction provides information on the criteria for inclusion central sources theoretical frameworks and the spectrum of the media associations investigated Part I assembles three overview articles on the media of radio film and theater for children and young people as well as a contribution on the conception and development of the online portal In the second part 18 selected media alliances are presented sorted into the categories pioneers conquer the new media stage children migrate to radio and or film fairy tales in film and radio classics in all media school stories in the theater book and on the screen crime and scandal on the screen political conquers book and film Mercy High School of Michigan Patricia Montemurri, 2021-08-30 Some 15 000 women are graduates of Mercy High School in southeastern Michigan Since 1945 when it opened as Our Lady of Mercy High School in northwest Detroit its graduates have embodied the school motto Women Who Make a Difference In 1965 the school moved from its original building on the Mercy College campus to a mid century modern building 11 miles away in the Detroit suburb of Farmington Hills The school was established by the Sisters of Mercy a Roman Catholic religious order with 6 200 sisters worldwide Among its graduates are luminaries in the arts medicine sports business government and military service The Mercy Marlins sports teams have won numerous state championships in swimming basketball hockey softball lacrosse golf and other sports This book commemorates Mercy High's 75th anniversary and reflects the impact of Mercy Girls on their communities country and around the world Image Bite Politics Maria Elizabeth Grabe, Erik Page Bucy, 2009-03-02 Image Bite Politics is the first book to systematically assess the visual presentation of presidential candidates in network news coverage of elections and to connect these visual images with shifts in public opinion Presenting the results of a comprehensive visual analysis of general election news from 1992 2004 encompassing four presidential campaigns the authors highlight the remarkably potent influence of television images when it comes to evaluating leaders The book draws from a variety of disciplines including political science behavioral biology cognitive neuroscience and media studies to investigate the visual framing of elections in an incisive fresh and interdisciplinary fashion Moreover the book presents findings that are counterintuitive and challenge widely held assumptions yet are supported by systematic data For example Republicans receive consistently more favorable visual treatment than Democrats countering the conventional wisdom of a liberal media bias and image bites are more prevalent and in some elections more potent in shaping voter opinions of candidates than sound bites Finally the authors provide a foundation for promoting visual literacy among news audiences and bring the importance of visual analysis to the forefront of research The Play World Patricia Anne Simpson, 2020-09-21 The Play World chronicles the history and evolution of the

concept of play as a universal part of childhood Examining texts and toys coming out of Europe between 1631 and 1914 Patricia Anne Simpson argues that German material literary and pedagogical cultures were central to the construction of the modern ideas and realities of play and childhood in the transatlantic world With attention to the details of toy manufacturing and marketing Simpson considers prescriptive texts about how children should play treat their possessions and experience adventure in the scientific exploration of distant geographies She illuminates the role of toys among them a mechanical guillotine yo yos hybridized dolls and circus figures as agents of history Using an interdisciplinary approach that draws from postcolonial childhood and migration studies she makes the case that these texts and toys transfer the world of play into a space in which model childhoods are imagined and enacted as German With chapters on the Protestant play ethic enlightened parenting Goethe as an advocate of play colonial fantasies children s almanacs ethnographic play and an empire of toys Simpson s argument follows a compelling path toward understanding the reproduction of religious gendered ethnic racial national and imperial identities emanating from German speaking Europe that collectively construct a global imaginary This foundational and deeply original study connects German speaking communities across the Atlantic as they collectively engender the epistemology of the play world It will be of particular interest to German studies scholars whose research crosses the Atlantic

The Future Conditional Eric S. Henry, 2021-05-15 In *The Future Conditional* Eric S Henry brings twelve years of expertise and research to offer a nuanced discussion of the globalization of the English language and the widespread effects it has had on Shenyang the capital and largest city of China s northeast Liaoning Province Adopting an ethnographic and linguistic perspective Henry considers the personal connotations that English has for Chinese people beyond its role in the education system Through research on how English is spoken taught and studied in China Henry considers what the language itself means to Chinese speakers How and why he asks has English become so deeply fascinating in contemporary China simultaneously existing as a source of desire and anxiety The answer he suggests is that English speaking Chinese consider themselves distinctly separate from those who do not speak the language the result of a cultural assumption that speaking English makes a person modern Seeing language as a study that goes beyond the classroom *The Future Conditional* assesses the emerging viewpoint that for many citizens speaking English in China has become a cultural need and more immediately a realization of one s future
