**From Harlem to the Universe: The Top 10 Chicken and Waffle Recipes On the Planet** Bilal "Busy B" Salaam, 2014-06-04 Legend has it that the all-American combination of savory Southern fried chicken and sweet maple syrup drizzled buttermilk waffles was born out of necessity; it is the mother of all invention. After all, this intriguing combination was born out of the amalgamation of the 1920s and 30s jazz clubs in places like New York and Chicago. It is said that patrons and musicians alike would spill out onto the street in the wee morning hours looking for something to soak up all the rotgut gin and provided a much-needed boost of energy that patrons were most likely craving breakfast and the musicians were most likely in the mood for dinner. So inevitably in a blurry-eyed euphoria, people would make their way to one of the many 24-hour diners in hopes of satisfying their cravings. Those that wanted breakfast would order a big plate of waffles. Those that wanted dinner, a big plate of fried chicken. Often times these were the cheapest items on the menu, and because people often dined in groups, both items were often ordered together along with large cups of coffee. And his people often do, they begin to share food with one another. And inevitably a piece of fried chicken ended up attracting a few droplets of maple syrup, and a fork full of waffles signed a piece of fried chicken, and in very short order, it was discovered that the sweet and savory combination of both foods eaten together was an explosion of flavor and texture like nothing anyone had experienced before. This unique combination was a perfect match for the jazz era hipsters. It was a little strange about that familiar and yet strangely satisfying, just like jazz music. And ever since then, a plate of chicken and waffles has been the go-to grub after a late night adventure. **From Harlem to the universe top 20 chicken and waffle recipes is**
