## **Good S For Teenage Girls:**

*A Teen Guide to Buying Goods and Services* Tammy Gagne, 2014-04 Many young people are surprised to learn that they play a big part in consumerism the buying of goods and services But the truth is that teens are among the most important consumers in the world today Whether you have a part time job or you get an allowance from your parents all sorts of companies want you to spend your hard earned cash on their products How do you know which purchases are the smartest choices What if you make a bad consumer decision This book explains the ins and outs of goods and services so you can feel good about the purchases you make and save your money when a purchase isn't necessary *NIV, Bible for Teen Girls* Zondervan, 2015-08-25 Support her personal devotion time with tools and insights from leading authors and Christian thinkers like Bethany Hamilton Annie F Downs Christine Caine and more The NIV Bible for Teen Girls designed specifically for girls ages 13 to 18 is for real teenage girls with real lives Packed with daily readings highlighted promises of God challenging insights smart advice and open discussion about the realities of life this Bible is designed to help teen girls grow in faith hope and love The NIV Bible for Teen Girls is as sincere about her walk with God as you are helping her discover God's will for all areas of her life including relating to family dealing with friends work sports guys and so much more Features Complete text of the accurate readable and clear New International Version NIV Daily readings for teen girls by popular Christian female authors Annie F Downs Bekah Hamrick Martin Christine Caine Crystal Kirgiss Bethany Hamilton Nicole Weider Elsa Kok Colopy Denise Van Eck and more Character profiles of women in the Bible Book introductions for each book of the Bible Highlighted promises of God are verses worth remembering A concordance to help find verses and topics

**Sexual Reckonings** Susan Cahn, 2012-03-05 *Sexual Reckonings* is the fascinating tale of adolescent girls coming of age in the South during the most explosive decades for the region Focusing on the period from 1920 to 1960 Susan Cahn reveals how both the life of the South and the meaning of adolescence underwent enormous political economic and social shifts Those years witnessed the birth of a modern awareness of adolescence and female sexuality that clashed mightily with the white supremacist and patriarchal legacies of the old South As youth staked its claim the bodies and beliefs of southern girls became the battlefield for a transformed South which was like them experiencing growing pains Cahn reveals how young women both white and black were seen as the South's greatest hope and its greatest threat Viewed as critical actors in every regional crisis from the economic recession and urban migrations of the 1920s to the racial conflicts precipitated by school desegregation in the 1950s female teenagers became the conspicuous subjects of social policy and regional imagination All the while these adolescents pursued their own desires and discovered their own meanings creating cracks in the twin pillars of the Jim Crow South racial purity and white male dominance that would soon be toppled by the student led civil rights movement *Sexual Reckonings* is an amazingly intimate look at a time of deep personal exploration and profound cultural change for southern girls and for the society they inhabited a powerful account of the clash between a society's fears and the

daily lives and aspirations of its most prized and unpredictable population      Some Wore Bobby Sox K. Schrum, 2019-06-12 Images of teenage girls in poodle skirts dominated American popular culture on the 1950 s But as Kelly Schrum shows teenage girls were swooning over pop idols and using their allowances to buy the latest fashions well beforehand After World War I a teenage identity arose in the US as well as a consumer culture geared toward it From fashion and beauty to music and movies high school girls both consumed and influenced what manufacturers marketers and retailers offered to them Examining both national trends and individual lives Schrum looks at the relationship between the power of consumer culture and the ability of girls to selectively accept reject and appropriate consumer goods Lavishly illustrated with images from advertisements catalogs and high school year books Some Wore Bobby Sox is a unique and fascinating cultural history of teenage girl culture in the middle of the century      The Routledge International Handbook of Children, Adolescents and Media Dafna Lemish, 2013-07-18 The roles that media play in the lives of children and adolescents as well as their potential implications for their cognitive emotional social and behavioral development have attracted growing research attention in a variety of disciplines The Routledge International Handbook of Children Adolescents and Media analyses a broad range of complementary areas of study including children as media consumers children as active participants in media making and representations of children in the media The handbook presents a collection that spans a variety of disciplines including developmental psychology media studies public health education feminist studies and the sociology of childhood Essays provide a unique intellectual mapping of current knowledge exploring the relationship of children and media in local national and global contexts Divided into five parts each with an introduction explaining the themes and topics covered the handbook features 57 new contributions from 71 leading academics from 38 countries Chapters consider vital questions by analyzing texts audience and institutions including the role of policy and parenting in regulating media for children the relationships between children s on line and off line social networks children s strategies of resistance to persuasive messages in advertising media and the construction of gender and ethnic identities The Handbook s interdisciplinary approach and comprehensive international scope make it an authoritative state of the art guide to the nascent field of Children s Media Studies It will be indispensable for media scholars and professionals policy makers educators and parents      **Childhood and Tween Girl Culture** Fiona MacDonald, 2017-01-23 This book explores the ways in which notions of childhood are being influenced by a rapidly expanding consumer media culture in the 21st Century It has been argued that new stages of childhood are being created and defined by children s role as consumers The concept of tween girls aged between 9 and 14 has generated the greatest debate While the fantasy world of tween offers girls a space to fashion a young feminine identity it has been widely argued that the consumer media s messages pressure tween girls to consume and adopt highly sexualised appearances and behaviours The author considers how the art of consumption for tween girls is intrinsically linked with their desire for independence and belonging and how their consumption is interwoven with other important social and cultural

influences The book will be of interest to scholars and students in the fields of Childhood and Youth Studies Cultural Studies Feminist and Women's Studies and Sociology

**Girlhood in America** Miriam Forman-Brunell, 2001-06-08 This groundbreaking reference work presents more than 100 articles by 98 high profile interdisciplinary scholars covering all aspects of girls' roles in American society past and present In this comprehensive readable two volume encyclopedia experts from a variety of disciplines contribute pieces to the puzzle of what it means and what it has meant over the last 400 years to be a girl in America The portrait that emerges reveals deep differences in girls' experiences depending on socioeconomic context religious and ethnic traditions family life schools institutions and the messages of consumer and popular culture Girls have been commodified idealized trivialized eroticized and shaped by the powerful forces of popular culture from Little Women to Barbie Yet girls are also powerful co-creators of the culture that shapes them often cleverly subverting it to their own purposes From Pocahontas to punk rockers girls have been an integral if overlooked and undervalued part of American culture

**Female Adolescent Sexuality in the United States, 1850-1965** Ann Kordas, 2019-04-08 This book examines the history of female adolescent sexuality in the United States from the middle of the nineteenth century until the beginning of the 1960s The book analyzes both adult perceptions of female adolescent sexuality and the experiences of female adolescents themselves It examines what girls knew or thought they knew about sex at different points in time girls' sexual experiences girls' ideas about love and romance female adolescent beauty culture and the influence of popular culture on female adolescent sexuality It also examines the ways in which adults responded to female adolescent sexuality and the efforts of adults to either control or encourage girls' interest in sexual topics dating girls' participation in beauty culture and their education on sexual topics The book describes a trajectory along which female adolescents went from being perceived as inherently innocent and essentially asexual to being regarded and feared as primarily sexual in nature

*One Nation Under Goods* James J. Farrell, 2014-07-15 Loved and hated visited and avoided seemingly everywhere yet endlessly the same malls occupy a special place in American life What then is this invention that evokes such strong and contradictory emotions

in Americans In many ways malls represent the apotheosis of American consumerism and this synthetic and wide ranging investigation is an eye popping tour of American culture s values and beliefs Like your favorite mall One Nation under Goods is a browser s paradise and in order to understand America s culture of consumption you need to make a trip to the mall with Farrell This lively fast paced history of the hidden secrets of the shopping mall explains how retail designers make shopping and goods irresistible Architects chain stores and mall owners relax and beguile us into shopping through water fountains ficus trees mirrors and covert security cameras From food courts and fountains to Santa and security Farrell explains how malls control their patrons and convince us that shopping is always an enjoyable activity And most importantly One Nation Under Goods shows why the mall s ultimate promise of happiness through consumption is largely an illusion It s all here for one low price of course

Cultures of Migration Hans Peter Hahn,Georg Klute,2007 International Migrations have become a central topic in the Humanities in the last years Understanding migration requires a closer look at the migratory phenomena and the continuities within the societies involved in the migration process This volume intends to overcome simplistic views on migration and the shortcomings of a push and pull factor analysis Instead the perspective of the migrants themselves orients the approach of cultures of migration In this view migration becomes a complex issue and motives and acceptance of migration appear to be a matter of

negotiations in the migrants societies of origin and in the host societies as well The present volume brings together a number of essays exploring the cultures of migration in various contexts It is organised in three sections dealing with Migrations as Encounters Migration as Challenge and Transcontinental Migrants Ten contributions each based on original fieldwork in various parts of Africa examine the validity of the concept of cultures of migration as explained in the introduction

*Rape Culture, Purity Culture, and Coercive Control in Teen Girl Bibles* Caroline Blyth, 2021-02-10 In this fascinating book Caroline Blyth takes a close look at Bibles marketed to teen girls and asks how these might perpetuate harmful gender stereotypes that lie at the heart of rape culture The author considers the devotionals commentaries and advice sections placed throughout these Bibles which offer teen girl readers life advice on topics such as friendships body image and how to navigate romantic relationships Within these discussions there is a strong emphasis on modesty purity and sexual passivity as markers of young women's godliness Yet as the author argues these gendered ideals are prescribed to readers using rape supportive discourses and the tactics of coercive control Moreover the placement of these various editorial inserts within the pages of sacred scripture gives them considerable power to reinforce deeply harmful ideologies about gender sexuality and sexual violence Given the seeming popularity of these Bibles among Christian teen girls the need to dismantle their damaging rhetoric is especially urgent This book will be of particular interest to those studying the Bible religion gender and theology as well as the general reader

**Youth Culture and Private Space** S.
