Chinese manhua are Asian graphic novels and animated films that have gained great popularity in the last ten years and now are found in most public library collections. Mostly Manga: A Genre Guide to Popular Manga. Manhua and Anime is the first readers advisory guide to focus on this important body of literature. This guide provides information on all of the major manga and anime formats and genres covering publications from the early 1990s to the present. It identifies important titles historically and provides a broad representation of what is available in each format. Selected major titles are described in detail covering the general plot as well as grade level and pertinent awards. The author also discusses common issues related to manga and anime such as terminology, content, and ratings and censorship.

Sampling Media David Laderman, Laurel Westrup, 2014-04. This work digs deep into sampling practices across audio visual media from found footage filmmaking to Internet memes that repurpose music videos, trailers, and news broadcasts. The book extends the conceptual boundaries of sampling by emphasizing its inter-medial dimensions, exploring its politics, and examining its historical and global scope.
