

# GWUPYGRUBYNUDNYLAND

by BEN HOPKINS with illustrations by Angela Davies

*"A terrible mountain dream I have had," said the King of Gwupygrubynudnyland, "all was wobblesome, and I wobbiest of all."*

The 1820s, Central Europe. In the tiny, boring, pointless Kingdom of Gwupygrubynudnyland, nothing has happened for years. But now Satan is coming to Gwupygrubynudnyland.

Soon the tiny nation will be the centre of the world. The pocket-sized Kingdom will be the burning furnace at the heart of Industry, the motor of Progress and the counting house of Capitalism.

In only three years, Satan's Gwupygrubynudnyland will propel the world into a whirlwind of chaos and change.

*In a richly textured mix of lyricism, irony and vulgarity, Ben Hopkins' dark, comic satire speeds up the last two hundred years of European history into a hilarious, orgiastic and disturbing helter-skelter ride towards oblivion.*

**Gwuppygrubynudnyland English Edition:**

The Top Books of the Year Gwupygrubynudnyland English Edition The year 2023 has witnessed a remarkable surge in literary brilliance, with numerous captivating novels captivating the hearts of readers worldwide. Lets delve into the realm of popular books, exploring the engaging narratives that have captivated audiences this year. Gwupygrubynudnyland English Edition : Colleen Hoover's "It Ends with Us" This touching tale of love, loss, and resilience has gripped readers with its raw and emotional exploration of domestic abuse. Hoover skillfully weaves a story of hope and healing, reminding us that even in the darkest of times, the human spirit can prevail. Uncover the Best : Taylor Jenkins Reids "The Seven Husbands of Evelyn Hugo" This spellbinding historical fiction novel unravels the life of Evelyn Hugo, a Hollywood icon who defies expectations and societal norms to pursue her dreams. Reids absorbing storytelling and compelling characters transport readers to a bygone era, immersing them in a world of glamour, ambition, and self-discovery. Gwupygrubynudnyland English Edition : Delia Owens "Where the Crawdads Sing" This mesmerizing coming-of-age story follows Kya Clark, a young woman who grows up alone in the marshes of North Carolina. Owens crafts a tale of resilience, survival, and the transformative power of nature, entrancing readers with its evocative prose and mesmerizing setting. These bestselling novels represent just a fraction of the literary treasures that have emerged in 2023. Whether you seek tales of romance, adventure, or personal growth, the world of literature offers an abundance of captivating stories waiting to be discovered. The novel begins with Richard Papen, a bright but troubled young man, arriving at Hampden College. Richard is immediately drawn to the group of students who call themselves the Classics Club. The club is led by Henry Winter, a brilliant and charismatic young man. Henry is obsessed with Greek mythology and philosophy, and he quickly draws Richard into his world. The other members of the Classics Club are equally as fascinating. Bunny Corcoran is a wealthy and spoiled young man who is always looking for a good time. Charles Tavis is a quiet and reserved young man who is deeply in love with Henry. Camilla Macaulay is a beautiful and intelligent young woman who is drawn to the power and danger of the Classics Club. The students are all deeply in love with Morrow, and they are willing to do anything to please him. Morrow is a complex and mysterious figure, and he seems to be manipulating the students for his own purposes. As the students become more involved with Morrow, they begin to commit increasingly dangerous acts. The Secret History is a masterful and thrilling novel that will keep you guessing until the very end. The novel is a cautionary tale about the dangers of obsession and the power of evil.
