[Hadrian's Wall](#) Matthew Symonds,2020-12-10 Over its venerable history Hadrian's Wall has had an undeniable influence in shaping the British landscape both literally and figuratively Once thought to be a soft border recent research has implicated it in the collapse of a farming civilisation centuries in the making and in fuelling an insurgency characterised by violent upheaval Examining the everyday impact of the Wall over the three centuries it was in operation Matthew Symonds sheds new light on its underexplored human story by discussing how the evidence speaks of a hard border scything through a previously open landscape and bringing dramatic change in its wake The Roman soldiers posted to Hadrian's Wall were overwhelmingly recruits from the empire's occupied territories and for them the frontier could be a place of fear and magic where supernatural protection was invoked during spells of guard duty Since antiquity the Wall has been exploited by powers

craving the legitimacy that came with being accepted as the heirs of Rome it helped forge notions of English and Scottish nationhood and even provided a model of selfless cultural collaboration when the British Empire needed reassurance It has also inspired creatives for centuries appearing in a more or less recognisable guise in works ranging from Rudyard Kipling's Puck of Pook's Hill to George R R Martin's A Game of Thrones Combining an archaeological analysis of the monument itself and an examination of its rich legacy and contemporary relevance this volume presents a reliable modern perspective on the Wall

**Hadrian's Wall (Classic Reprint)** Jessie Mothersole, 2017-11-25 Excerpt from Hadrian's Wall You never can bring in a Wall Some man or other must present Wall Midsummer Night's Dream HE idea of a colour book on Hadrian's Wall was suggested to me by friends in 1914 Then came the Great War blotting out all thought of work of this kind But in 1920 I was taken by these friends along the line of the Wall and I soon fell a victim to its many attractions My friends went home but I found hospitality at the farms and other houses in the neighbourhood and began to paint at once Before long I decided to walk the Wall every foot of the way 73 miles from sea to sea being inspired thereto by the example and the record of William Hutton Many of my readers will need an introduction to this delightful character whose book to which I shall often have occasion to refer is now out of print About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic books Find more at [www.forgottenbooks.com](http://www.forgottenbooks.com) This book is a reproduction of an important historical work Forgotten Books uses state of the art technology to digitally reconstruct the work preserving the original format whilst repairing imperfections present in the aged copy In rare cases an imperfection in the original such as a blemish or missing page may be replicated in our edition We do however repair the vast majority of imperfections successfully any imperfections that remain are intentionally left to preserve the state of such historical works
