Hillsong Oceans Bible Verse:

Restless David J. Gillard, 2022-01-06 Why do many popular songs positively reference God if our culture is widely viewed as secular Why is it a challenge to tell the Christian story when many say they are spiritual and believe in God Why do we draw so much meaning from the popular songs we listen to And might a deeper understanding of popular music culture help us to explore the bigger stories we listen to throughout our lives such as the Christian story Primarily using Zygmunt Bauman's understanding of liquid modernity we look at the social forces that shape Western society and consider why while many are looking for authentic ontologically based stories to understand their life experiences historic providers of the big stories that shape our lives such as the church favor a different epistemological way of telling them How do these different approaches to storytelling affect their reception and what insight might we draw from that Whilst this book is written primarily with those in Christian ministry in mind it will be of interest too to those who use music to explore life experiences through their work who are interested in the social forces that shape society or who simply enjoy listening to popular music *They Walked with God* Gena Duncan, 2016-03-09 What does it mean to walk with God Enoch knew In fact he knew so well that one day he walked right into Gods eternal home without dying Now that was a walk A life walk involves all the activities that intersect with our lives every day If we walked like Enoch or like righteous Noah what would those intersections of appointments meetings meals sport games telephone conversations text messages meetings with friends and discussions with family members look like All those giants of faith listed in Hebrews 11 walked with God and are examples to us of walking in faith with God Noah believed God would send a flood and built an ark even though he had never seen rain Joshua and the Israelites Deborah and Barak Jephthah and Gideon had faith for miraculous victories in battle Rahab choose to leave her life of prostitution married and became part of the lineage of Christ Samson asked for one last triumph of strength and fulfilled Gods plan for his life The author unmasks the lives of eight less known giants of faith and reveals their triumphant acts of faith and the head hanging weaker moments not mentioned in Hebrews 11 What can these unbelievable stories mean to us Open these pages and see *Through the Eyes of Hope* Lacey Buchanan, 2017-01-10 Understand how God turns tragic circumstances into something beautiful for His glory while you love more complain less and see God at work in the most unlikely of places Now faith is the substance of things hoped for the evidence of things not seen Hebrews 11 1 MEV What happens when things don't go as planned What happens when the storm you face is completely out of your control The Buchanans precious son Christian was born with a medical condition that is so incredibly unique it's one of only fifty known cases in the world This story has captured the hearts of hundreds of thousands In *Through the Eyes of Hope* Lacey Buchanan tells this compelling story of trusting God in the face of adversity You will be moved and inspired to hold on to God's promises when things go wrong and find joy in midst of any storm [Live in Love](#) Lauren Akins, Mark Dagostino, 2020-08-18 NEW YORK TIMES BESTSELLER In this refreshing and inspiring memoir Lauren Akins the wife of country music star

on the Mount Jan Wells,2003-06 *Blue Planet, Blue God* Meric Srokosz,Rebecca S. Watson,2017-11-30 The ocean dominates the surface of the earth and is in the pages of the Bible too The Bible offers a view of the sea and the life it supports which affirms its intrinsic value to God as a good and indeed essential part of creation At the same time it also speaks perceptively of the sea's vulnerability to damage and change The Bible's focus on the sea raises questions about economics and the interconnectedness of communities whilst further references to the sea raise questions about our human centredness and spirituality and about our fear of chaos and disaster In a unique collaborative project the oceanographer Meric Srokosz and the biblical scholar Rebecca Watson not only offer environmental insights on the sea but also connect the ocean with other key issues of broader concern spirituality economics chaos and our place in the world Each chapter concludes with ideas for discussion and reflection and for suggested actions in the light of the issues raised The book will present a fresh new lens through which to view the Bible and as such inform biblical scholars students and preachers alike
