To Him That Hath Leroy Scott, 2019-12-18 In *To Him That Hath*, Leroy Scott masterfully weaves a narrative that combines elements of social critique and moral philosophy, delving into the intricacies of wealth, ambition, and the moral responsibilities that accompany privilege. Set against the backdrop of early 20th-century America, the novel employs a realist literary style characterized by rich character development and a keen observation of societal norms. Through the lives of his protagonists, Scott illuminates the dichotomy between altruism and self-interest, compelling readers to confront the ethical dilemmas faced by individuals within a capitalist framework. Leroy Scott, known for his acute awareness of social issues, drew inspiration from his experiences in the changing industrial landscape of the United States. A journalist and novelist, his writings are informed by a profound understanding of the socioeconomic challenges of his time. Scott's background enabled him to infuse authenticity into the struggles faced by his characters, mirroring the aspirations and conflicts that defined a generation navigating the complexities of modernity. Readers seeking a thought-provoking exploration of morality and wealth will find *To Him That Hath* an essential addition to their literary collection. Scott's insights remain relevant to contemporary discussions about socioeconomic disparity, making this novel not only a product of its era but also a timeless reflection on the bonds between affluence and responsibility. Engage with Scott's compelling prose and allow his narrative to challenge your perspectives.

Heart of Darkness (Fourth International Student Edition) (Norton Critical Editions) Joseph Conrad, 2016-04-04 The Fourth Edition is again based on Robert Kimbrough's meticulously re-edited text. Missing words have been restored, and the entire novel has been repunctuated in accordance with Conrad's style. The result is the first published version of *Heart of Darkness* that allows readers to hear Marlow's voice as Conrad heard it when he wrote the story. *Backgrounds and Contexts* provides readers with a generous collection of maps and photographs that bring the Belgian Congo to life. Textual materials topically arranged address nineteenth-century views of imperialism and racism and include autobiographical writings by Conrad on his life in the Congo. New to the Fourth Edition is an excerpt from Adam Hochschild's recent book *King Leopold's Ghost*, as well as writings on race by Hegel, Darwin, and Galton. Criticism includes a wealth of new materials, including nine contemporary reviews and assessments of Conrad and

Heart of Darkness and twelve recent essays by Chinua Achebe Peter Brooks Daphne Erdinast Vulcan Edward Said and Paul B Armstrong among others Also new to this edition is a section of writings on the connections between Heart of Darkness and the film Apocalypse Now by Louis K Greiff Margot Norris and Lynda J Dryden A Chronology and Selected Bibliography are also included

Dostoevsky Joseph Frank,2020-03-31 This volume the fourth of five planned in Joseph Frank s widely acclaimed biography of Dostoevsky covers the six most remarkably productive years in the novelist s entire career It was in this short span of time that Dostoevsky produced three of his greatest novels Crime and Punishment The Idiot and The Devils and two of his best novellas The Gambler and The Eternal Husband All these masterpieces were written in the midst of harrowing practical and economic circumstances as Dostoevsky moved from place to place frequently giving way to his passion for roulette Having remarried and fled from Russia to escape importuning creditors and grasping dependents he could not return for fear of being thrown into debtor s prison He and his young bride who twice made him a father lived obscurely and penuriously in Switzerland Germany and Italy as he toiled away at his writing their only source of income All the while he worried that his recurrent epileptic attacks were impairing his literary capacities His enforced exile intensified not only his love for his native land but also his abhorrence of the doctrines of Russian Nihilism which he saw as an alien European importation infecting the Russian psyche Two novels of this period were thus an attempt to conjure this looming spectre of moral social disintegration while The Idiot offered an image of Dostoevsky s conception of the Russian Christian ideal that he hoped would take its place
