

The background of the notebook cover is a collage of various geological and paleontological specimens. In the top left, there is a pink, feathery fossil. Next to it is a smooth, white, shell-like object. To the right of that is a porous, honeycomb-like rock structure. In the top right corner, there is a small, pink, branching fossil. The bottom half of the cover is dominated by a large, detailed image of a coiled ammonite fossil, showing its characteristic spiral shape and ribbed structure.
